Dear Parents and Carers,

Last week a group of our Grade 6 students headed off to represent our college in a soft ball tournament at Presidents Park. The students had a successful day winning their games and will now represent the college at the Western Region finals. Congratulations to the following students on their success: Suliasi P from 6 Amanda who hit two home runs and took catch of the year! Gardynia S from 6 Ayse, Diesel D, River R, Brodie T, Ranea

W from 6 Amanda, , Brodie C, Campbell O, Marcello S, from 6 Rose and Trent T from 6 Paul. Well done to you all.

On Tuesday night we held an information session in Amadeus Hall for parents and carers to learn more about the upcoming Grade 3 camp. The manager of Lady Northcote Recreation Camp, Rob Cummins, came along to talk about the camp and what the grade 3 students and staff will get up to while they are away. Thank you to Jane Budd for organising the information session and the staff that came along to support Jane, and to the college families that attended.

Throughout this week it has been Arts Week at the college with various activities taking place. Students were able to attend the Fete Art competition at various times along with other activities like clay play and music concert in the Village Square, Emoji Creations in the Wellbeing office and Pavement Art in the Community Room. Today our early years students will be lucky enough to watch the Year 10 Performance and Production students do The Magic Forest performance.

Last night the Trivia Performance Night was held and it was a fantastic turnout! The student performances were wonderful and the VCAL pizzas a big hit. Thank you to all of those that attended and to the Performing Arts teams for organising such a great event.

An initial meeting with the architects for the stage 5 building program was held this week with Phil Francis representing School Council and myself in attendance. At this point, we are discussing the rooms and spaces that have been scheduled to be built and the architects are now drawing some sketches of building locations. When completed, the rooms will be predominantly used by our secondary students however there will be facilities for improved learning by primary and supported students.

Next Tuesday is the last day of classes for our Year 12 cohort for their high school journey. They will have their Celebration Day on Wednesday so look out for the fantastic costumes that will be on display I am sure!

Next week our Early Years assembly will be held in Barlee Gym with all welcome.

PBS Focus:

Goal setting to help me Aim High:

Making goals are an important skill. They motivate us to work towards what we want.

Can you make a personal goal to work on this term, using our college expectation for aiming high?

- I will be the best I can be.
- I will be a confident member of our college.
- I will be a helpful member of our college and community.
- I will 'have a go' at whatever is in front of me.

Second Hand Uniform Shop: The uniform shop will be open for Term 4 every second Wednesday in the Community Room (Eildon Learning Room) from 2.00pm – 3.00pm. Please see dates below:

Wednesday 19th October, 2nd November, 16th November, 30th November & 14th December

All proceeds from the sale of items will be donated to State School's Relief.

Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.jdlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, providing consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.

Newsletter Sign Up

The college newsletter can be accessed online via the college website: www.manorlakesp12.vic.edu.au. We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information is published on a weekly basis
