## School Uniform Review

**School Uniform Review:** This year School Council are undertaking a review of the current college uniform. We are seeking parents/carers who are interested in being part of a working group to discuss changes to uniform pieces and policy for implementation from 2018 onwards.

We will also be seeking student input through the process. If you have any suggestions or are interested in joining the working group for uniform please let me know via email [England.janette.j@edumail.vic.gov.au](mailto:England.janette.j@edumail.vic.gov.au) or leave your details in the administration office and I will be in touch. Please note any changes will be phased in over a suitable period of time, so no need to worry if you have just purchased uniform pieces that we might delete and they will not be able to be worn.

## School Banking News

### Get Involved in The School Banking Program...

Manor Lakes P-12 College is excited to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2017 are:

- Cyber Handball
- Colour Change Markers
- 3D Chalk Set
- Tablet Case
- Smiley Emoji Keyring
- Volt Handball
- Pencil + Tech Case
- Epic Earphones

School Banking is also a great fundraiser for our school. Our school receives \$5.00 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of \$10.00 per individual deposit).

**Getting involved in School Banking is easy!** All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

#### 1. Online

Visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) and click on the link to open a Youthsaver account.

#### 2. In branch

Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account, they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is Thursday each week.

If you would like to know more about School Banking, please ask for a 2017 School Banking program information pack from the school office or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)
