Over half way through term 3 and what a term it has been so far. This week our focus has been on book week and the theme 'Reading is my superpower'. In Eildon and Echo we have been decorating our doors with our favourite superheroes. In SPA we have created Art work relating to our special book, Aliens in Underpants save the World and sharing our favourite stories with the class. On Friday we will be taking part in Primary school book parade as well as holding our own Supporting Learning book week parade in Echo.

Over in VCAL as part of our work related skills unit we have begun volunteering at Blackwood Outdoor Special Education Camp ground. We had our induction and OH&S brief this week and then set up the tents for the incoming campers.

We will be assigned different work tasks each week we attend, these may include sweeping paths, collecting firewood, setting up the low ropes course, packing away the archery site, resetting the fireplaces and much more.

## Prep - Grade 2 Athletics Day

What a jam-packed day Friday was!

The community oval was a rainbow of red, yellow, green and blue, as our Grade Prep to Grade 2 students competed in modified athletics events. High jump and hurdles were more well know and traditional athletics events. However, you could see the delight on the students' faces as they experimented with new (but old for us) events such as the egg and spoon race and the three-legged race.

Overall, the students effectively displayed our School Values during the day:

- Aiming High
- Showing Respect
- Being Safe
- Valuing Community

It was wonderful to see our students displaying a growth mindset, when things were hard, and showing top-level effort and persistence. It was pleasing to see students team up in their house colours, and feel the team spirit.

The day could not have been possible without the following staff and students from the Secondary

sector: **Joe Diamond, Bonnie-Rae Duncan** and the students from the Rugby Academy, who set up and ran the events, and also manned the sausage sizzle. In addition, the Primary organisers were: the Physical Education team, consisting of **Anthea Biddle** and **Siobhan Hubbard**, along with the classroom teacher representative, Aimee Glen. I am sure these teachers were exhausted by the end of the day! Of course, our classroom teachers and education support staff ensured that the students were organised, informed, ready and happy throughout the day.

We also had the assistance from our Grade 6 leaders, who tallied sausage orders, assisted teachers and supported students. Great organisational and leadership skills were demonstrated by these students. Thank you to all who made the day a success.

Thanks to our families who came along to cheer for the students. What a lovely and supportive community we have at Manor Lakes. The pre-ordered sausages raised \$548.60 for the rugby academy – thank you for your support.

The final House Points standings were:

- 1<sup>st</sup> - **Red Freeman**
- 2<sup>nd</sup> - **Blue Perkins**
- 3<sup>rd</sup> - **Green Landy**
- 4<sup>th</sup> - **Yellow Fraser**

Congratulations to all on a successful day,

*Natalie and Kim*  
**Primary Co-Principals**

## MLC Working Bee

The College is conducting a Working Bee on Saturday 24th August 2019. We would really appreciate any volunteers from our Staff and Parent/Carer Community to assist our Facilities staff in works on the schools grounds, improving the yard for our students.

Tasks for the day will include the boxing of sandpits, planting of seedling and tube stock in garden beds, pruning and tidying up garden beds, and the installation of outdoor bench seats and tables. These tasks will take place in Primary, Supported and Secondary areas of the College grounds.

Please dress for outdoor work, and whilst we have all the necessary tools and equipment, any additional shovels, wheelbarrows, watering cans and hammer drills with masonry bits would be handy.

Students are welcome to join us if they are accompanied by a parent or carer.

A light lunch of pizzas and refreshments will be provided.

**Park near the secondary sports field on the Community oval side of the school. Meet in the Mackay maintenance building for a 9.00am start, with a 12.00pm finish.**

Please contact Sam Watkins (Assistant Principal) or Steve Warner (College Principal) if you have any enquiries.

**Come lend a hand!**

## Thank you!

A big thank you to **Werribee Fresh Market** for their ongoing donation of fruit to the breakfast club & emergency lunches!

It is imperative that you book an appointment for Course Counselling. Please use the form inside the pack to book a Course Counselling appointment for Thursday 5th September; completed request forms can be handed direct to Viv in the Eyre Building or dropped off at Burley Griffin Administration. Course Counselling will take place in the Eyre Building between 9.00am - 5.40pm. Appointments usually take around 20 minutes.

A reminder that Year 9 students will not have any classes on this day (Thursday 5th September) to allow students & parents time to attend their Course Counselling appointment.

## Grade 4 & 6 Science Fair

It was a fit conclusion to Science Week on Friday, with our Grade 4 and Grade 6 students conducting Science Fairs and welcoming families into their classrooms.

The energy was high, as students performed their chosen experiments for their audiences – lots of bi-carbonate soda and vinegar was evident!

As part of their Science Integrated Curriculum Units, the students were investigating the following Enduring Understandings:

**Grade 4:** A scientific inquiry aims to provide an explanation using predicting, investigating and evaluating (Science Inquiry Skills)

**Grade 6:** Energy can be transferred and transformed and can be generated from a variety of sources (Physical Science)

Students linked their science learning to writing, and produced scientific reports and/or explanation texts, to accompany their experiments and showcase their learning from throughout the unit.

Thank you to the families who attended and actively participated in the Celebration of Learning. The students and teachers appreciated having you in the classrooms, which we know helps build partnerships between the school and home.

Projects include making flyers, signs and help prepare and organise stalls.

Volunteering gets you out of the house, helps you make new friends and gives you satisfaction of helping to achieve something. If you're planning to go back into the workforce, volunteering is a great asset on your resume - these are just a few of the benefits of volunteering within your community.

Please contact Bec on 0403175925 or [faces@manorlakesp12.vic.edu.au](mailto:faces@manorlakesp12.vic.edu.au) for more info.
