Class Placements 2018

During the next month, staff will be working on placement of students for next year. A number of factors are considered in the placement of students including but not limited to, a mix of the individual academic and social learning and gender balance.

It is a very important task and I thank parents for their trust of our past decisions and assure everyone that we will continue to do what we believe is in the best interest of every child in our care.

However, should any parent feel that they wish to share insight or information with us that may assist in this decision making process please complete a student placement form, which is available from the Burley Griffin administration office. The college placement form will be the only information accepted by us.

This form must be submitted to the Burley Griffin college office or emailed via Compass by **Wednesday 25th October 2017. No forms or requests will be accepted after this date.**

It is most important that information be submitted only on this form – please do not email any information or ring through any information.

Completing the form is an opportunity for parents who are deeply concerned about their child's placement and who believe that they have information to share that may influence the decision we make.

Art News

This year's Year 10 Art and Design class composed a thought-provoking display of the many artworks created throughout the year. The exhibition explored various art mediums that the students had to trial, showing the successes they achieved. This showcase included ceramic busts, portraits in watercolor, pastel, charcoal and pencil, oil paintings and prints. The families who attended were highly impressed at the level of work which this cohort of year 10's showed. This exhibition was a great success and the presence of those who attended is highly appreciated.

School Banking

Calling for Volunteers – We Need Your Help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a dedicated volunteer to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time, one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and will also help our school with fundraising.

School Banking day is every Thursday.

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to the office.
