	Prep 2019 Tour, 3:30pm (Meet at Manor Lakes College Administration)	N/A

Dear Parents/ Carers,

"The more that you read, the more things you know. The more that you learn, the more places you'll go." Dr Seuss I couldn't have said it better myself!

Book Week presents the perfect opportunity to reflect on all the great things that reading makes possible. The importance of reading cannot be underestimated. Recognising the benefits of reading and acknowledging the work of our wonderful authors and illustrators is the main focus of Book Week.

I would like to acknowledge the incredible efforts of Carolyn Scott and all teachers, who planned an amazing program of events for our students to engage with the work of authors and illustrators. Book readings, author studies and activities don't just happen – they take a lot of work to organise. I would also like to thank our teachers for supporting this important program and for modelling a love of reading for our students. Much has been written on the value of sharing stories and reading to babies, helping them to build familiarity with sounds, words and language. Leading on to toddlers connecting with pictures and print, with reading stimulating their growing imagination and helping them to make sense of the world.

With thanks,

Rachel Rasmussen – Acting Primary Principal

Uniform Bank

If your child has borrowed clothes from the school's uniform bank could you please wash and return them to the sick bay as soon as possible so there is enough for students needing to borrow. We are running very low as a lot of items have not be returned in recent weeks.

Dates to Remember

Thursday 1 st November	Year 8 Boys Basketball, 9:00am – 3:00pm (Altona Stadium)	31 st Oct

Grade 3 Scienceworks Excursion

Earlier in the term, the Grade 3 students attended an excursion to Scienceworks. We got on the bus in the morning and spent the day at Scienceworks learning about robotics and lots more.

We learnt about programming robotics to move in particular ways. The robots we worked with had cameras and were able to copy our actions. We also learnt about different senses.

When we had exploring time, we got to ride a bicycle and a skeleton model showed how our bodies move when riding a bike. We practiced our balancing using a model snowboard. We raced against Cathy Freeman in the sprint run. We used an interactive screen to build a futuristic car. We needed to use the car parts and understand how they worked to build the car. We also explored a glass floor where a spiral moved in circles and gave the illusion that we were moving with it.

By Summar, Zaima and Haasini

Book Week Celebrations

From Monday 20th August until Friday 24th of August student and teachers celebrated book week. Teachers worked hard after hours completing their book week door displays in the hopes of being the winner. Our class' favourite book were displayed in every classroom celebrating books of all genres. Mystery readers visited the classroom to share their favourite stories. Students had the opportunity to participate in colouring competitions and who can forget that all important dress up parade! The costumes were amazing! We definitely have some very talented parents at Manor Lakes College. Congratulations to the colouring competition winners:

SPD Brandon Trollope	00B- Jayda Hashe
1E- Tara Nener	2E- Irwin Lee
3E- Ekam Kaur	4B- Sivanaja Thevananth
5D- Jimmy Keys	

Door display was won by Kate in 2A for her Jumanji theme.

Book Week Parade

Athletics Carnival

On Wednesday the 23rd of August we had the Primary District Athletics carnival where 55 students from Grade 3-6 competed in a range of track and field events. It was a fabulous day out and students made us proud with all their efforts and sportsmanship.

Manor Lakes College has some amazing talent with 4 age group champions; Ayak 5, Thusana 5, Kayden 5, and Kerys 6D. Along with everyone's individual results Manor Lakes was able to keep the Wyndham Athletics shield for the second year in a row.

Thank you to our VET sport students in helping out on the day, and to Hannah, Ben, Nat and John. Thank you all your support, organising students, supervising and jumping in when needed.

Division Athletics is on Thursday 13th September and we have 21 students qualifying for this round. Please keep an eye out for notes and training sessions.

Sarah Radford
Primary Physical Education Teacher

Open Classrooms

On Friday the 17th of August students had the opportunity to share the fantastic work they have been doing this term with their families in our Term 3 open classroom. It's great to see the excitement and pride the students took while showing their families around. Thank you to those families that came. We understand how busy your schedules are and we thank you for supporting our students learning.

Primary Assembly

There will be an assembly for all P-6 students on Friday 7th September in the Barlee Gym. Parents and Carers welcome.

Kinder Buddies

During the 10th - 16th of August, Grade 5 students were involved in the Kinder Buddies Program. Each day we went to visit the Kinder kids, to build positive relationships and help prepare them for next year. This gave us the opportunity to put ourselves in the teacher's shoes, and experience what it would be like next year when we have buddies in Grade 6.

As we walked into the room we were welcomed by teachers and students. We all had a chance to work with 2-3 buddies, where we completed the following activities:

- Read a picture book
- Helped our buddies write their name
- Drew pictures together
- Constructed buildings using blocks
- Took turns to role play
- Taught them how to play games and answered their questions.

Although it was challenging to keep our buddies focused and on task, we were glad that we were given the opportunity to develop positive relationships, build our confidence and develop our leadership skills.

At first the students were shy, but gradually they became more confident. Students seemed really engaged and enthusiastic. They all displayed great manners as they were respectful and supportive of each other.

Some of the Grade 5 students described this experience as "fun and exciting" because it gave them an idea of what it would be like if they wanted to be a teacher in the future. Another student stated, "I had lots of fun because it gave me responsibility."

All the Kinder kids were very welcoming and thanked us by giving us hugs as we left.

We would like to thank all students and teachers who were involved and helped prepare the program.

Spelling Bee

On Thursday August 23rd Shanjana Aji (Year 6) and Rachel Aleu (Year 4) represented Manor Lakes College at the District Spelling Bee in the senior 5-6 section and the junior 3-4 section. The girls showed strong determination to get to this stage of the competition. The girls unfortunately did not win although they displayed an amazing effort to make it to this stage of the competition. We are all extremely proud of both girls.

Mrs Frawley, Mrs Ulrich and Miss Craig

Student Interview Pieces

The Crisis of the missing oval!

Last week Lucy and Mia from grade five went and interviewed Mr. Warner about the school oval. The first question that wanted answered was, 'Why was the oval closed in the first place?' Mr Warner explained that the oval was closed because of student safety and the low fencing around the area, he felt that students were feeling unsafe and "student safety is number one priority." When asked, what other alternatives will be offered if the oval can't reopen, Mr Warner replied 'The oval will be reopened but not for a while'. Once the big rocks have been taken out of the dirt area behind the new playground, fake grass will be put over the area, soccer pitches and football goals will also be included.

By Lucy and Mia year 5

Treasure Found!

What's up guys welcome back to an interview, 5 lucky people of which I had the privilege of meeting. The first person, the person behind organising book week is Carolyn Scott.

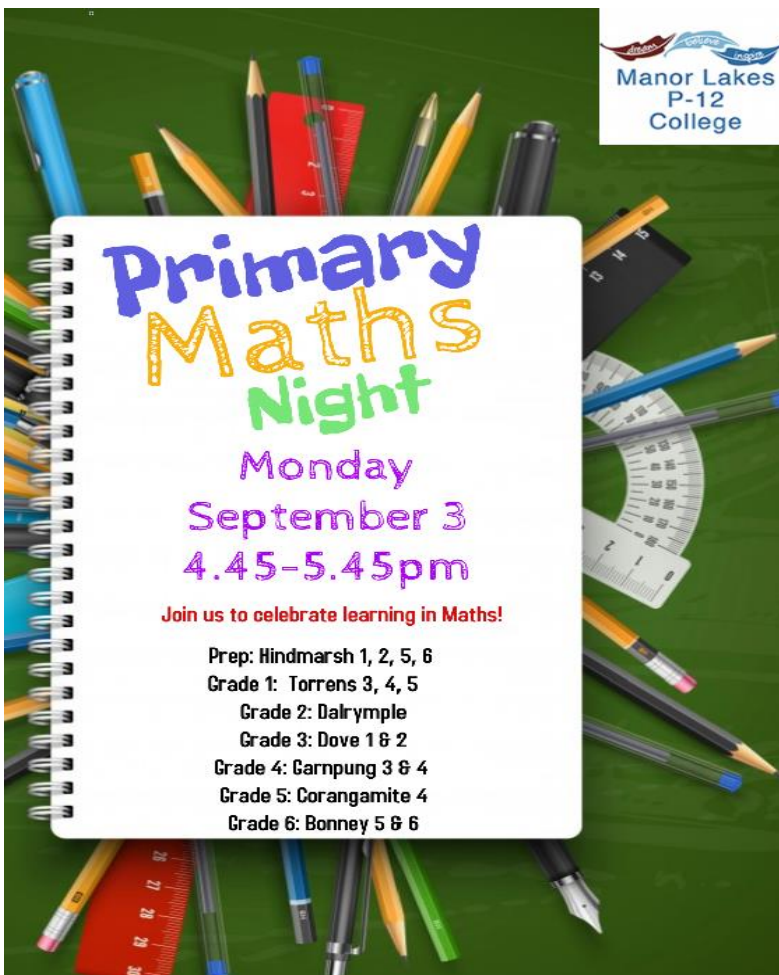

Carolyn has given us interesting answers. Our first question that we wanted Carolyn to answer was why did she choose the theme find your treasure? Her response stunned us. She didn't actually make the theme up the Australian book Council did. Another question we were bursting to know was what is her favourite part of book week? She responded with, "I love doing it and loves organising activities for the kids."

By Charlotte and Hannah

Mystery tunnel

Last week we interviewed Mr Edwards about the tunnel for the new playground for the year 4s we asked Mr Edwards about the new tunnel being built. Mr Edwards explained, the area is going to get built on the holidays for to grade 4s, at the front of their classrooms. The playground is being built the for the kids entertainment. One of the concerns was the need to put some synthetic grass because of the hard ground because if the kids fall on it they will get badly hurt and we don't want that to happen.

Primary Maths Night

Weekly Career News

Term 3

Tuesday 28 August 2018

YEAR 12 – EARLY ENTRY CLOSING DATES

Early Entry, La Trobe University: Early admission applications close for La Trobe University via the Aspire program on Friday 31 August, <http://bit.ly/1cXetap>

Australian Catholic University: Applications for the following early entry programs close 27 September.

- Passion for Business, <http://bit.ly/2beXyl2>
- Passion for Law, <http://bit.ly/2ijFigP>

Monash University, The Monash Guarantee: applications close Friday 12 October, <http://bit.ly/2x5nwBC>

The University of Melbourne, Access Melbourne: applications close Friday 12 October, <http://bit.ly/2gBAqPD>

RMIT, Schools Network Access Program (selected schools): applications close Friday 12 October, <https://bit.ly/2vAPiVT>

Victoria University, VU Guaranteed (selected schools): applications close Sunday 30 September, <https://bit.ly/2whSd6P>

NSW/Canberra Institutes, Schools Recommendation Schemes. Includes Government funded universities such as Australian National University, Charles Sturt University, Macquarie University, University of Canberra, University of Newcastle, University of Technology Sydney and Western Sydney University.

Applications close Friday 28 September, <http://bit.ly/2arK6ZG>

The following University of Melbourne courses have an early application closing date via VTAC.

- Due by Friday 31 August – Fine Arts (Animation), Fine Arts (Dance), Fine Arts (Film and Television), Fine Arts (Screenwriting).

WEBSITES: VOCATIONAL & TRADES

Australian Apprenticeship Pathways: You will be able to undertake apprenticeship aptitude tests, find local apprenticeship and group training centres, and learn about different trade occupations, www.aapathways.com.au/

Defence Jobs: trades in the Defence Force, www.defencejobs.gov.au/

Automotive Technical and Parts Apprenticeships: Vantage Automotive Pty Ltd invite students from all over Australia to apply for their Modern Apprenticeship Program. Successful students will undertake their apprenticeship at a dealer of their choice and be flown to Melbourne or Sydney for block training. To find out about the application process, the program, and to view a list of dealers, go to www.vantageautomotive.com

Do you need a White Card? If you would like to undertake work experience or work in the construction industry, you will need to complete occupational health and safety induction training. To prepare for this, you can undertake the 'White Card Game'. Through an online first person perspective, the goal of the game is to identify, control and report workplace hazards on a construction site without getting injured or causing the death of workmates. Go to www.whitecardgame.com.au/

My Skills: You can search for and explore vocational courses across Australia, learn about in demand jobs and watch videos of young people who have completed vocational training, <http://bit.ly/1D8uek7>

SkillsOne: you can watch videos about different trades, www.skillsone.com.au/

Construct My Career: careers in construction such as carpentry, surveying, security, and property services, <http://bit.ly/2fMwylI>

VOCATIONAL & HIGHER EDUCATION NEWS

Are you creative? Do you love working on computers? Do you enjoy media? You may be suited to studying digital media. IT, coding, design and multi media skills are currently in demand and will continue to be desired workplace skills in the future. The following are examples of digital media courses you can study at Victorian institutes:

- Bachelor of Design (Digital Media), RMIT: <http://bit.ly/2bQKzrJ>
- Bachelor of Design (majoring in Digital Media Design), Swinburne University, <http://bit.ly/2bApAc1>
- Bachelor of Digital Media, Macleay College, Melbourne, <https://bit.ly/2liqzj1>
- Bachelor of Communication (Digital Media), Deakin University, <https://bit.ly/2FVfe7p>
- Bachelor of Design (Digital Technologies), Deakin University, <https://bit.ly/2vwisVs>

Passionate about Information Technology? The following three universities offer Bachelor of Information Technology Industry Scholarship programs:

- University of Technology Sydney: The scholarships are worth \$49 500 each and recipients have had a 100% employment success rate post graduation. Round 1 applications close on 2 September, <https://bit.ly/2ENOz75>
- Swinburne University: recipients receive 40 weeks of industry experience and a \$40 000 industry funded scholarship, <http://bit.ly/2bG8LuW>
- La Trobe University: students who receive entry into the Bachelor of Information Technology (Professional) receive an annual scholarship and depending on the campus (Melbourne or Bendigo), a year of paid industry experience, or a \$20 000 industry based scholarship, <http://bit.ly/2bzgTLy>

UPCOMING EVENTS

AUGUST

27 August – 2 September: National Skills Week, <http://bit.ly/1twdlAx>
