No.30, Week Ending Friday 6<sup>th</sup> September, 2019

**SUPERVISION IN THE YARD BEGINS AT 8:35 AM AND ENDS AT 3:15 PM**

## The Week Ahead

DESCRIPTION		PAYMENT DUE
<b>Mondays</b>	Primary Breakfast Club, 8:00am – 8:30am (Outside Argyle)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Tuesdays</b>	Rushford's Uniform Shop, 8:30am – 10:30am (Argyle Building)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Wednesdays</b>	Primary Breakfast Club, 8:00am – 8:30am (Outside Argyle)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Thursdays</b>	Rushford's Uniform Shop, 2:00pm – 4:00pm (Argyle Building)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Fridays</b>	School Banking Day	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Monday 9<sup>th</sup> September</b>	Year 12 PJ Day	N/A
	Primary Open Classrooms, 9:00am – 10:00am	N/A
<b>Tuesday 10<sup>th</sup> September</b>	VCAL Mock Interviews & Morning Tea at Wyndham Council	5/9
<b>Wednesday 11<sup>th</sup> September</b>	Year 7 Camp Kangarooie departs	14/8
<b>Thursday 12<sup>th</sup> September</b>	Grade 2 Sleepover	31/8
	Primary Division Athletics	9/8
<b>Friday 13<sup>th</sup> September</b>	Year 7 Camp Kangarooie returns	N/A
	Primary Footy Day	N/A
	Supported Mambourin Work Placement	N/A
<b>Friday 20<sup>th</sup> September</b>	Last Day Of Term 3 - 1:30pm finish – Canteen Closed	N/A

The Big Day Out is quickly approaching. For families new to Manor Lakes, the Big Day Out is a showcase of the Primary Arts. Students will partake in two performances, one Music and one Performing Arts (Dance) over various stages set up around the College. A showcase of Art work will also be displayed at our Art Show in the Barlee Gym.

Students have been busy rehearsing their songs and dances in Music and Performing Arts. Performances will run from 1pm-4pm. We will have four performance stages set up around the College. Soon, we will share the schedule with you, so you can organise your itinerary for the day.

The students are particularly excited about the carnival rides. **Please remember to log onto Compass to pre-purchase your Unlimited Rides wristbands for \$20 (\$25 if purchased on the day).** There will also be stalls (run by our teachers) and show bags. The food trucks will arrive in the late afternoon.

Week 8 marks our first Big Day Out Countdown Newsletter - please keep up to date each week.

We are also pleased to announce the winner of the Big Day Out Flyer Competition. **Ruby Collins** from 8A designed the winning flyer. The design was unanimously chosen by the Primary Student Representative Council (SRC).

We are looking forward to seeing you all on October 26th,

Kind Regards,

*Natalie Vulic and Kim McCabe*

**Primary Co-Principals**

**Key Dates:**

2019 School Terms:      Begin:                      End:                      2019 Curriculum Days (Students **DO NOT** attend school):

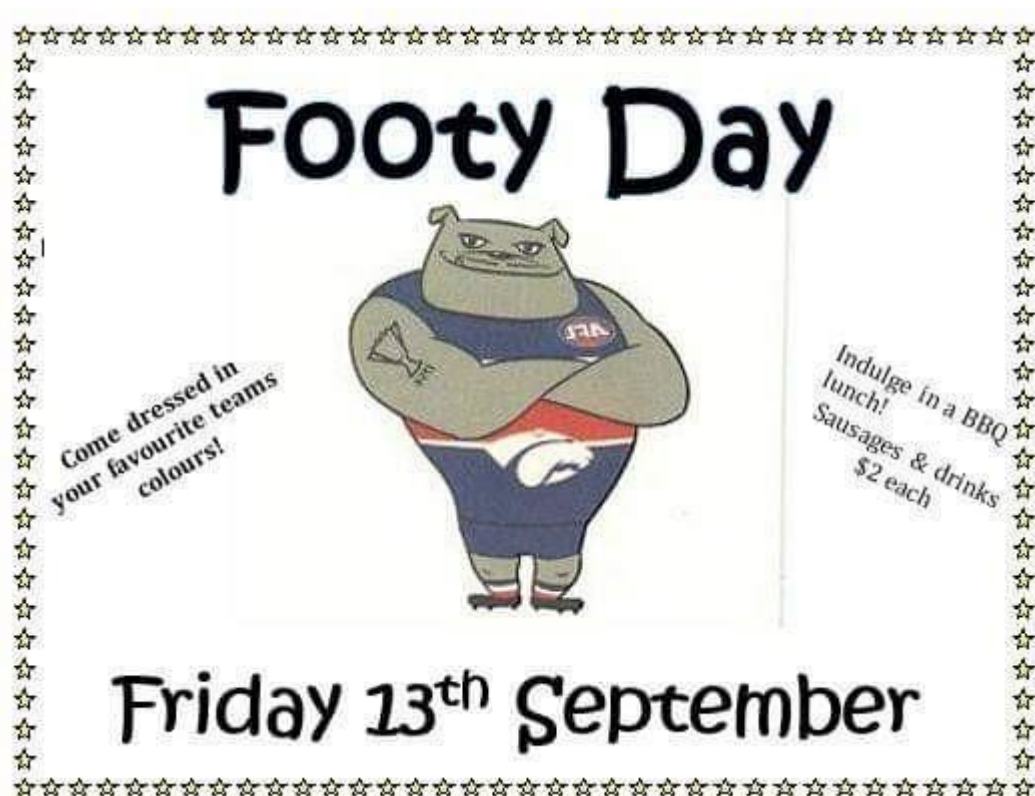

Term 3	15 July 2019	20 September 2019	Monday 5 <sup>th</sup> August
Term 4	7 October 2019	20 December 2019	Monday 5 <sup>th</sup> November

## Last Day of Term 3

Friday **20<sup>th</sup> September** is the last day of term 3. Students will be dismissed at 1:30pm

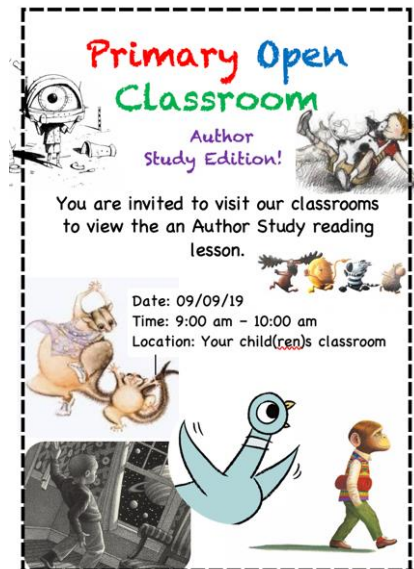

Please note the **canteen will be closed**. No lunch orders will be available.

## Open Classrooms

Our Primary Families are invited to come to their child(ren)s classroom on **Monday, 9<sup>th</sup> September at 9:00am until 10:00am** to view the amazing learning your child(ren) takes part in every day.

Students have been working hard over the past few weeks during our Author Study unit, delving deep into an author and their texts. We would love for families to take this opportunity to view an Author Study reading lesson, seeing how the class discusses a text, unpacking the language and text features.

Bonus Handout: Classroom Visitors are also able to take a flyer of ideas with them as to how to talk about the books your child(ren) read at home.

## Scienceworks Excursion

Grade 6 students patiently waited to board the train to Scienceworks on the 6th of August. Upon arrival, students were given the opportunity to explore sections of Scienceworks including Thinking Ahead and Sports Works. The most popular activity was to race against Cathy Freeman, which allowed students to see how energy from our body can be transformed. We then made our way to the pumping station and had a small break before we entered the Lightning Show. Once we entered the dark warehouse, our guide provided us with information about static electricity, conductors and insulators, electric circuits and safety switches. He also demonstrated how energy can be transferred and transformed through various experiments. Highlights include a hair-raising encounter with a Van de Graaff generator, making light with a pickled onion and creating lightening using the biggest Jacob's Ladder display in the country. The show finished with a spectacular demonstration of lightning strikes and tips for safety strategies during lightning storms. We then had our lunch, explored a few more sections before we caught a train back to school. We would like to thank parent helpers for supporting us on the day.

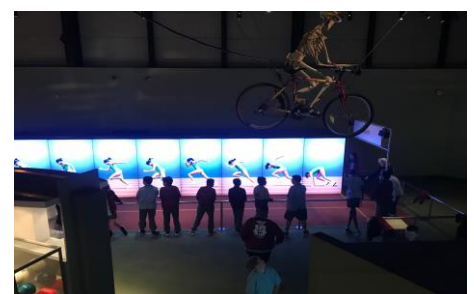

*Grade 6 students competing with Cathy Freeman.*

*Grade 6 cohort*

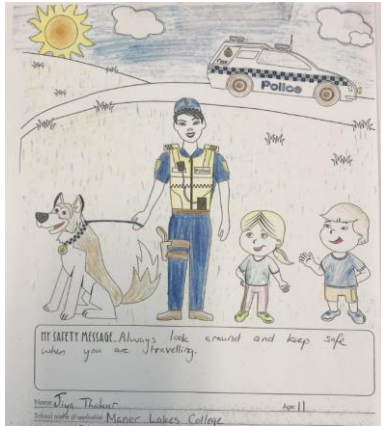

*Students exploring Sport Works.*

## Victoria Police Incursion

On the 2nd of August, Grade 6 students will be given the opportunity to engage with members of Victoria Police after a Grade 6 student Jiya Thakur won a local community drawing competition. This incursion gave students an insight on the role of Police within the community, the equipment they use a phonetic alphabet to communicate. A police officer used a student with a very long name to demonstrate how the alphabet can be used to share information, followed by a discussion around social media awareness and cyber bullying. At the end of the session, students tried to memorise the phonetic alphabet to spell their own name. Towards the end of the session police answered additional questions asked by students.

*Jiya's entry.*

*Jiya & her dad*

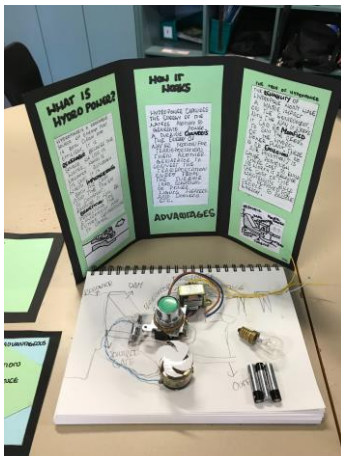

*Victoria Police presentation*

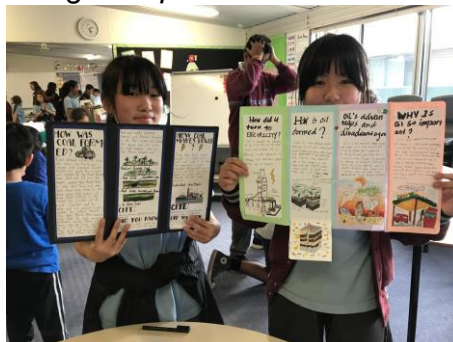

## Science Fair

On the 16<sup>th</sup> of August, students, teacher and parent/carers were invited to the Grade 6 Science Fair to celebrate our students' work. This term as part of the Integrated Unit, Grade 6 students have been learning about different energy sources. Students have had the opportunity to explore how energy can be generated, examples of renewable and non-renewable energy sources, its advantages and disadvantages and how energy can be transferred and transformed. We would like to say a huge **THANK YOU** to students, staff and parent/carers who came through our classrooms to support our Science Fair.

*Ethan's (6A) hydroelectric power presentation*

*Sophie & Doris (6A) holding their presentation about coal.*

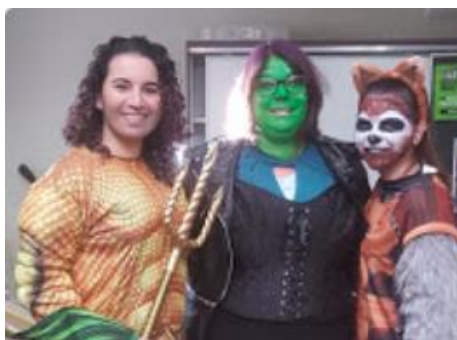

*Thushana & Miami (6A) with their poster/model of wind power.*

## Book Week Parade 2019

On Friday the 23rd of August Manor Lakes College held the annual book week parade. Two parades were held this year. A parade in session 1 for students in prep to year 2 and session 2 for 3-6 students. Thank you to all the parents that not only came to watch one or two parades but for all their effort in dressing their child. The colours and costumes in the gym looked amazing.

The Best Book Week Door or Window winners are:

1st Hindmarsh Year **6E**

2nd Dove Year **1G**

3rd Gordon Year **4D**

Thanks to all who participated and voted!

As part of book week teachers and students competed for the best book door display. Here are some examples of displays throughout the primary school.

## Greg Mitchell Workshop

On Wednesday the 28<sup>th</sup>, Thursday the 29<sup>th</sup> and Friday the 30<sup>th</sup> of August selected students and staff had an amazing opportunity to work with Greg Mitchell, an independent education consultant, who specialises in student engagement, classroom management and diffusing situations. As part of his workshops some Year 5 and 6 students have been selected as peer mediators. Manor Lakes College wishes to build the capacity of the students to become great role models in the yard and a safe person to go to when students need help. These year 5 and 6 students will continue their learning with their team facilitators on Thursday afternoons. Students, Teachers and parents all enjoyed Greg's workshops and are excited about the future school-yard heroes.

## Wyndham Healthy & Active Expo 2019

Wyndham City's 2019 Healthy and Active Expo runs from 21 September – 13 October. The Expo showcases a variety of sports, fitness and wellbeing activities within the local neighbourhood with free events, clinics and 'come and try' sessions for all ages and abilities.

Whether you're looking to kick start your fitness, try a new team sport or in search of a little relaxation, there's a session to suit you! Choose from more than 125 free sessions, including lots of fun and rewarding 'come and try' activities for kids and families.

The Healthy & Active Expo also provides a great opportunity to meet new people in a fun, relaxed and supported environment.

All sessions are free – some sessions have limited availability so registrations essential. Bookings can be made via <https://www.wyndham.vic.gov.au/healthyandactiveexpo>

For more information please contact Wyndham City on 9742 0777 or email [healthyactiveexpo@wyndham.vic.gov.au](mailto:healthyactiveexpo@wyndham.vic.gov.au)

## Primary Art News

### WE NEED YOUR HELP...

The primary art rooms are after the following recycled items:

Plastic bottle lids in all colours eg. milk lids

Salsa glass jars or other short wide glass jars

Yarn or Wool, any colour in any state

Adult size apron's or  
old button up shirts or workwear

Old **school uniform** t-shirt, shorts or dress. It doesn't matter if it is stained or ripped. They will be used to create clothing for garden scarecrows

Please ensure all donations are thoroughly washed in hot water to remove food traces. All donations can be handed into the Art department located in DOVE building.

Many Thanks  
*Miss Cindy & Ms. Nishani*

## Werribee District Athletics

Congratulations to all the Year 3-6 students who represented Manor Lakes College on August 21 at the Werribee District Athletics. Manor Lakes had a successful day with 24 students making it through to the Division Athletics on Sept 12. The students are to be congratulated on their efforts in both training and on the day. Due to their dedication to training Manor Lakes were overall winners on the day.

Congratulations and good luck to the following students who will be attending the Division Finals: 12/13 Girls Relay, 11 Girls Relay, 11 Boys Relay, **Wiremu P, Akon D, Kytel P, Ayak A, Terri S, Chloe A, Amomai T, Olivia M, Kayden M, Brodie K, Atuphua V, Thushana S, Liku V, Solomon L, Sule B and Blessing N**

We would also like to congratulate **Kayden M, Thushana S and Ayak A** for winning their respective age group Champion Medal.

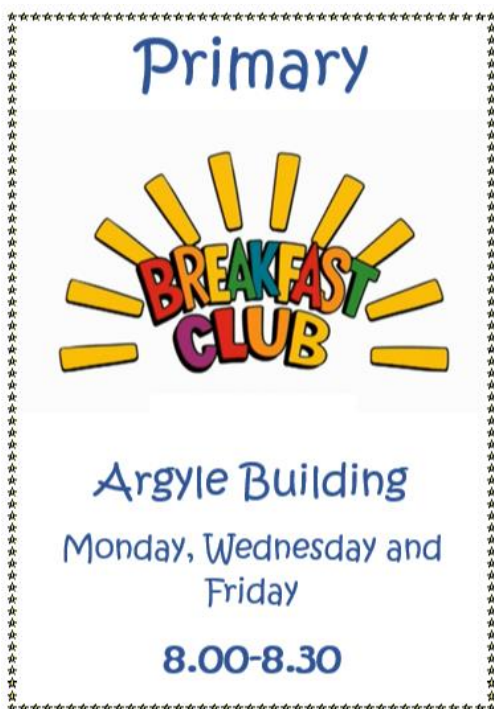

## Grade 6 Gala Day

Last Friday the 30th of August, Grade 6 students participated in a number of sporting events such as Volleyball, Cricket, Softball, Basketball and Tennis. After many training sessions students put their skills to the test. It was great to see students supporting each other and working together as a team. Everyone displayed excellent sportsmanship and had a great time. Congratulations to the Softball Team who will progress to regional finals. Good luck!

*Volleyball mixed and girls team.*

*Volleyball mixed team.*

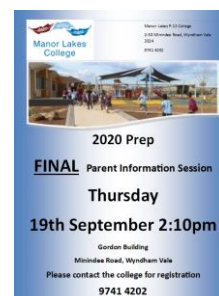

## Prep 2020

Do you have a child eligible to enrol in **Prep in 2020**?

If you have not enrolled your child in prep 2020 we will be holding our **FINAL** parent information session on **THURSDAY 19th SEPTEMBER at 2:10pm.**

Please contact the college on 9741 4202 to register.

## Year 12 PJ Day

Year 12 students are invited to wear their PJ's to school on Monday the 9<sup>th</sup> of September. That means you may wear your PJ's, dressing gowns, slippers and appropriate sleep wear. We will be providing breakfast at 8.40am so come down and celebrate the few remaining weeks of year 12.

**VCAL, VCE and supported year 12 students are all welcome.**

## School Privacy Policy

Victorian Education Department School Privacy Policy

<https://www.education.vic.gov.au/Pages/Schools-Privacy-Policy-information-for-parents.aspx>

## School Production

Manor Lakes College is proud to present our school production for the year, Romeo and Juliet.

Tickets are now available online through Try Booking, <https://www.trybooking.com/BFEVP>. Limited tickets available.

## Father's Day Stall

A big thank you to all the helpers that manned the Father's Day Stall this year!

## College Newsletter

As a result of recent Parent Forums, we will be publishing separate Primary, Secondary and Supported Learning newsletters from term 4.

We hope that this will focus our communication to relevant audiences across the College. All newsletters will continue to be accessible on Compass. Compass will continue to be one of our main forms of communication, particularly for special events and reminders.

If you have any feedback or questions, please contact **Chelsey Marks** (Primary Assistant Principal) at [chelsey.marks@manorlakesp12.vic.edu.au](mailto:chelsey.marks@manorlakesp12.vic.edu.au)

## Thank You!

Massive thank you to Kim & Chris Cody of **Cody's Café** and Aza & Mohammed from **Werribee Fresh Market** for their amazing donations towards Breakfast & Emergency Lunches.

## Year 12 Valedictory Dinner

The Year 12 Valedictory Dinner event brings together students, families and college staff to celebrate the Graduation of the Year 12 cohort of 2019. This year the dinner will be held on **Thursday 28<sup>th</sup> November**. Doors open at 6.30pm for a 7pm start. The event runs until 10pm.

A maximum of 4 tickets will be reserved for each family until Monday 7<sup>th</sup> October, after which all remaining tickets will be available to any further family members wanting to purchase them. Please go to <https://www.trybooking.com/book/event?eid=533309&> Please contact **Stuart Hay** at the College for any questions/clarification.

Please note: *You will also need to purchase a ticket for your Yr. 12 student. The 4 tickets is INCLUSIVE of the student. That means 1 ticket per student and 3 guests. We will open it up to purchase extra tickets after the 7<sup>th</sup> of October.*

## 2020 Curriculum Days

Curriculum days for 2020 have been set as the following:

**Tuesday 28<sup>th</sup> January**  
**Wednesday 29<sup>th</sup> January**  
**Friday 24<sup>th</sup> April**  
**Tuesday 9<sup>th</sup> June**

## 2020 School Photos

School photo dates for next year have been booked in:

**Tuesday 5<sup>th</sup> May** – Secondary Portraits  
**Wednesday 6<sup>th</sup> May** – Primary Portraits & Class Photos  
**Friday 8<sup>th</sup> May** – Sibling & Absentee Portraits

## 2019 MLC Big Day Out

**Unlimited** ride wristbands for the Big Day Out are now available to purchase through the compass portal.

\$20 gets you unlimited rides for 4 hours. Individual tickets will be \$5 each or wristbands will be \$25 on the day.

## Health Information

The Department of Human Services supplies to all schools *The Blue Book*, which details information on many community-based infections. At times we will highlight different community concerns and will send, via the newsletter the guidelines supplied to us from *The Blue Book* and the Department of Health (Victoria); please find information below on **Hand, foot and mouth disease**.

**What is Hand, foot and mouth?** Hand, foot and mouth disease is caused by a virus which causes blisters on the hands and feet, in the mouth and often in the 'nappy' area. It generally is a mild disease that lasts seven to ten days.

**What are the symptoms of Hand, foot and mouth?**

The common symptoms are:

- A high temperature (fever)
- Sore throat
- Small, blister-like lesions that may occur on the inside of the mouth, sides of the tongue, palms of the hands, fingers, soles of the feet and the 'nappy' area.

**How long does it is infectious?** The skin blisters are infectious until they become crusty and there is no fluid in the blisters.

**Children should be excluded from school, kindergarten and child care centres until all the blisters have dried up.**

**Can Hand, foot and mouth be treated?** There is no specific treatment. Use paracetamol as directed for fever. If fever persists or there are worrying symptoms consult your local doctor immediately

**Preventing the spread of Hand, foot and mouth disease:**

- Good personal hygiene is essential.
- Washing hands carefully after contact with the blister
- Allowing blisters to dry naturally and never pierce blisters

**For Further information please contact [your local doctor](#), [Better Health Channel](#) or [Victorian Department of Health](#) on 1300 651 160**

**SCHOOL HOLIDAY ACTIVITIES - BOOK NOW!!**

**Lamp Decorating Workshop for Kids**  
Come and join our workshop this school holidays and learn how to paint and decorate traditional Diwali lamps.

When: Tuesday 1 October  
Time: 2:30pm – 3:30pm  
Cost: \$10 (payment by card)  
Materials will be supplied.

**Diwali Lantern Making Workshop for Kids**  
Come and join our craft workshop this school holidays and learn how to make vibrant traditional Diwali lanterns using coloured paper.

When: Tuesday 1 October  
Time: 1pm - 2pm  
Cost: \$10 (payment by card)  
Age: 6 -12 years  
Materials will be supplied

**Kids Paper Craft Workshop**  
Learn how to make beautiful flowers and windchime with coloured paper. You can have this as a decorative piece at home or it could be a gift for someone.

When: Thursday 3 October  
Paper Flower workshop  
Time: 11am - 12pm  
Paper Windchime workshop  
Time: 12:30pm - 1:30pm  
Cost: \$10 per person each workshop (payment by card)  
Age: 6 -12 years  
Materials will be supplied.

**cyber rules**

**stay safe and have fun on the internet**

- Be careful who you trust online. Making new friends can be fun, but there's a chance that they may not be who they say they are.
- Set your profile to 'private' so your personal information is kept secret.
- Don't open messages from people that you don't know. These could be nasty, contain viruses or be trying to sell you something.
- Always keep your password a secret.
- Think before you post information online—once posted it's difficult to remove.
- If someone is nasty, offensive or makes you uncomfortable in a chat room, don't respond and leave straight away.
- Don't accept any offers that seem too good to be true—they probably are.
- Ask your parents before you give anyone on the internet your name, address or any personal details.
- Tell your parents if you are upset by language, pictures or anything scary on the internet.

**www.cybersmart.gov.au**

## Don't risk your child's life

**Never call your child from across the road.** Excited children often dash out onto the road and forget to look for traffic. Children **cannot accurately judge traffic speed.**

**ROAD SAFETY AROUND SCHOOLS BEGINS WITH YOU!**

## Education Volunteers Program Info Session & Afternoon Tea

*Ardoch's vision is that every child's potential is realised through full participation in education.*

*Learn about how you can engage, inspire and support children in the community through volunteering.*

6 SEPTEMBER 2019 • 1:00 PM  
WYNDHAM PARK COMMUNITY CENTRE

Register at [bit.ly/evpwyndham](http://bit.ly/evpwyndham)

[www.ardoch.org.au](http://www.ardoch.org.au)

### Ardoch Education Volunteers Program Information Session and Afternoon Tea

6 September 2019 at 1:00-3:00 PM | Wyndham Park Community Centre  
55-57 Kookaburra Ave, Werribee VIC 3030

*Be part of Ardoch's Education Volunteers Program to support learning, build aspirations and increase confidence of students in Wyndham.*

Have an afternoon tea with us and learn more about how to become an Education Volunteer as well as hear stories from our wonderful volunteers!

Register at [bit.ly/evpwyndham](http://bit.ly/evpwyndham). Registration is essential for catering purposes.

#### What is the **Education Volunteers Program**?

Ardoch recruits, trains and places volunteers in school and early years services in disadvantaged communities through our **Education Volunteers Program**. We work with 240+ volunteers and 74 school sites across Victoria, including schools in Wyndham. Volunteers commit to volunteering for a minimum of two hours a week at the same time at the same school/early years service during school hours for a minimum of six months.

For more information about the Education Volunteers Program please visit our [website](http://www.ardoch.org.au).

If you have any questions please contact Regina at [regina.agustin@ardoch.org.au](mailto:regina.agustin@ardoch.org.au)

## Year 12 students – university scholarships

The following are examples of scholarships university applicants may be eligible for:

**Westpac Young Technologists Scholarship:** For students planning to study a degree focussed on technology or computer science in 2020. Must be planning to study at one of 5 eligible universities, <http://bit.ly/2wpxMDp>

**Gardiner Dairy Foundation** for students residing in Victorian dairy communities who plan to pursue a career that will benefit dairy communities or the dairy industry. Worth \$10,000 per annum. Now open, <https://bit.ly/2khw7OT>

**George Alexander Foundation Scholarship:** for students who would like to study an undergraduate course at one of 12 universities in 2020, <http://bit.ly/2c6qlaC>

**Australian Veterans' Children Assistance Trust:** For children and grandchildren of ex-servicemen and women. This scheme covers several scholarships. Applications open 18 August 2019, <http://bit.ly/2bv3x63>

**Puggy Hunter Memorial Scholarship Scheme:** For Indigenous students applying for allied health courses such as dentistry/oral health, medicine, nursing and midwifery. Apply between 1 Oct – 4 Nov 2019 for the 2020 intake, <https://bit.ly/2sveWvb>

**Rural Pharmacy Scholarship:** For rural students who would like to study Pharmacy in 2020 at any Australian university, <http://bit.ly/1LXoHBn>

**Bradman Scholarship:** For students who would like to continue their cricket commitments whilst studying any course at university. Applications close February 2020 (TBC), <http://bit.ly/2bvUu79>

**Charlie Bell Scholarship for Future Leaders:** For students who are McDonald's employees and will be starting a university degree in 2020. Applications may open in September, <http://bit.ly/1U5Zb6>

**Bendigo and Adelaide Bank Scholarships:** For regional and rural students studying any degree, <http://bit.ly/2bHMEgZ>

**A Start in Life:** For students who may not be able to afford the costs associated with university study, <http://bit.ly/1TuEzB4>

**Youth Off the Streets National Scholarship Program:** For young people who have a clear financial need to be able to study at TAFE or university in 2020, <http://bit.ly/2beQHbd>

**Victoria Department of Education and Training:** For students currently in Year 12 planning to study full time in 2020. There are various scholarships each with their own selection criteria, <http://bit.ly/21100V1>

**Horizon Scholarship:** For students planning to study a course relating to agriculture such as agricultural science, veterinary science, agribusiness etc. Must be in last few years of degree, <https://bit.ly/2111fw2>

## Interesting research report

**Life at 24: Now and Then.** "Fewer young people are working in their career job at age 24 than ten years ago, with significantly higher rates of young people uncertain whether the job they have is the one they would like as a career. This infographic uses data from the Longitudinal Surveys of Australian Youth (LSAY) to provide a snapshot of how study, training and work have changed for Australians aged 24 in 2018 when compared with those of the same age in 2008", <https://bit.ly/2lndVUc>

## Get informed about VET

The Victorian Curriculum and Assessment Authority (VCAA) recently released a series of videos about VET studies. Students can study VET subjects as part of their senior program in Victorian and NSW schools. <https://bit.ly/2IMXoZ>

## Applying for an undergraduate teaching degree in Victoria?

Year 12 students planning to apply for undergraduate teaching degrees via VTAC will need to be aware of the selection criteria for courses. This may include:

- Subject prerequisites and minimum study scores
- CASPer Test results
- Minimum ATAR

NB: If you are applying to Australian Catholic University (ACU), you can elect to complete the 'ACU Teacher Selector Statement' or the CASPer Test.

You can also elect to apply directly to ACU and complete the 'ACU Teacher Selector Statement' rather than apply through VTAC, <https://bit.ly/2lmpH2a>

### Subject prerequisites

- Each course will have a minimum English study score and most will have a mathematics requirement.
- Prerequisites for courses can be found via the VTAC Course Search function - <https://bit.ly/2AmyoMw>

### CASPer Test

- You will need to register for and complete the CASPer Test by 17 November to be eligible for December Round offers, <https://takecasper.com/>
- The Victorian Tertiary Admissions Centre (VTAC) has developed a fact sheet that can be accessed at this link - <https://bit.ly/2Vrqfd>

### Minimum ATAR requirement

- Applicants will need to achieve a minimum ATAR of 70. Some universities may have a higher ATAR requirement.
- With academic and/or equity bonus points, applicants may be able to access courses below this ATAR.

### Literacy and Numeracy Requirements

- Students will need to register for and pass the Literacy and Numeracy Test for Initial Teacher Education Students during their teaching degree, <https://bit.ly/2wzDXyg>

### Back up courses – Victoria

Concerned you may not receive the ATAR to get straight into your desired undergraduate teaching courses or don't have the subject prerequisites?

Each university has pathway courses into their initial teacher education degrees. For most pathway courses, you can add them into your VTAC preferences. The following are examples:

#### RMIT

Diploma of Teacher Education Preparation, <https://bit.ly/2CbYkQb>

#### Monash University

Diploma of Higher Education (Education Stream), <https://bit.ly/2LSMmdV>

#### Victoria University

Diploma of Teacher Education Preparation, <https://bit.ly/2Ndfod5>  
Diploma of Education Studies, <https://bit.ly/2hEk83A>

#### La Trobe University

Bachelor of Educational Studies, <https://bit.ly/2PtW3qj>

#### Australian Catholic University

Diploma of Educational Studies (Tertiary Preparation), <https://bit.ly/2Q3eq1N>

#### Federation University

Bachelor of Education Studies, <https://bit.ly/2zMMXc1>

#### Charles Sturt University

Diploma of General Studies, <https://bit.ly/2hzEt38>

Contact the universities you would like to apply to for pathways advice.

## Would you like to study in Japan?

Australia National University offers an exclusive double degree in Asia Pacific Studies and Global Liberal Arts in partnership with the Ritsumeikan University, Japan. Students can enrol to start studying in either Australia or Japan. Over the course of their study, all students will spend time learning on-campus in both Australia and Japan.

Students commencing at Ritsumeikan will spend their third year of study at ANU, while students commencing at ANU will study at Ritsumeikan in their second and third years. The double degree will be taught in English and will take four years to complete as a full-time student. For information, go to <https://bit.ly/2Ljp079>

## 3 humanitarian STEM jobs making a major impact

When we think of humanitarian and social impact careers, we often think of legal aid, education and social work-type gigs. Cassie Steel from Careers with STEM, has identified 3 science, tech and engineering jobs making a massive impact on others. These include:

### Geographic Information Systems Analyst:

Experts in geographic information systems use their navigation, map-making and data processing skills to assist when disasters – like earthquakes, floods and human conflicts – strike. They create maps to assist in-situ field workers access hard-to-reach places, as well as process geographic data to predict, prevent and improve response time for future scenarios.

**Agronomist:** Agronomists traditionally study plants, animals, soil and cultivation techniques to improve the productivity and sustainability of farms and agricultural industries, yet act as key specialists on food security when extreme climates or conflict hit. The agricultural scientists re-assess the use of affected farmlands in struggling environments, and offer solutions on reducing famine and maintaining a steady crop supply.

**Epidemiologist:** these guys spend their time focussing on diseases – how they're caused and spread, but also how they can be contained and prevented – in vulnerable communities. Disaster relief teams rely on epidemiologists to investigate outbreaks (think: meningitis and cholera in an over-populated refugee camp), which often involves managing large-scale studies and mining massive data sets to support health campaigns and programs.

For more information, go to <https://bit.ly/2JVwcDV>

## Information from La Trobe University

**Outdoor Education Camp:** "Experience what it's like to be an Outdoor and Environmental Education student through our September School Holiday Program. This 5-day program is available to current Year 10, 11 or 12 students.

You can select from two camps: either canoeing on the Murray River or, bushwalking and climbing at Kooycoora State Park. The cost per student is \$100 and includes food and most equipment. The program will run between 30 September – 4 October 2019, <https://bit.ly/2IRXJeR>

**New scholarship for regional students:** Inland Rail Scholarship – worth \$5000 per year and is for students living in selected Local Government Areas. For information and how to apply by 30 October 2019, go to <https://bit.ly/2jN5SU>

## Interested in Engineering?

You may be interested in the following articles from Careers with STEM

**6 engineering myths busted:** Think you know what engineering is all about? We unpack the most common assumptions surrounding the gig, so you're not hoodwinked by an inaccurate industry myth. Spoiler: you don't have to be a mega maths genius, <https://bit.ly/2kqqaUx>

**Checked out the latest Careers with STEM: Engineering yet?** Engineering is a lot more varied than you might think. Our new mag smashes stereotypes and busts myths about what engineers do each day and what they look like. Meet 26 real-life professionals solving problems in every industry – from sustainability to health, defence and robotics, as they share practical tips and invaluable advice. Get seriously excited about the careers of the future! <https://bit.ly/2kqTTFf>

## The National Questacon Invention Convention

Want to design and build prototypes to solve problems for our planet? The National Questacon Invention Convention is an all-expenses paid, five-day workshop held in Canberra. There are 25 places available for 14-18-year-olds from all across Australia this January. For information and to apply, go to <https://bit.ly/2k0g2Ow>

## JMC Academy – High School Workshops

Year 9 – 12 students are invited to apply for the annual JMC Academy High School Workshops running during the Term 3 break.

Students will be able to spend the day at JMC Melbourne immersed in a workshop of their choice (options are listed below) and will be able to learn about other courses running at the College.

### September

26	Perform, Record & Create Music
26	Recording a Band

### October

1	Discover Visual Communication
3	Digital TV Studio
3	Digital Sculpture & Character Workshop
3	Perform, Record & Create Music
3	Recording a Band
4	Character and Life Drawing
4	Filmmaking
4	Electronic Music Production
4	The Exciting World of Event Management

For information and to RSVP your place, go to <https://bit.ly/2wrhdbQ>

## Victorian Institute of Forensic Medicine (VIFM) - Careers Information Day

VIFM offers secondary school students in years 10, 11 and 12 the opportunity to attend a Career Information afternoon. The session is designed to offer an insight into the various career options available.

Specialist staff from VIFM, Victoria Police and the Coroners Court will talk to students about what it's like to work in their chosen fields and what path they took to get where they are today.

Students wishing to attend MUST complete the registration, as numbers are limited. The next session will be held on Monday 23 September 2019 at 12:30 pm.

To register your place, go to <https://bit.ly/2ltbSPs>

## Parent Workshop

### Think about the Future

Life after school for students with disability

Starting the career conversation

**FREE EVENT!**

This **FREE** workshop is for parents of secondary school students with a disability.

Get the latest information about career planning and share ideas with other parents. Learn how to help your child make the transition from school to post school options including work.

"I have a son with high support needs. This workshop has opened my eyes to options I hadn't previously thought about. I left feeling quite energised. Thanks ACD." - Parent

Bookings essential. Presented by the Association for Children with a Disability (ACD) [www.acd.org.au](http://www.acd.org.au)

DATE & TIME	16 <sup>th</sup> October 2019, 10.00am – 12.30pm
VENUE	Echo Building, Manor Lakes College, Mindee Rd, Manor Lakes
REGISTER	Eventbrite link: <a href="https://scowndhamvale.eventbrite.com.au">https://scowndhamvale.eventbrite.com.au</a>
CONTACT	Kylee or Jenny at ACD <a href="mailto:educate@acd.org.au">educate@acd.org.au</a>
Includes morning/afternoon tea. Workshops may be cancelled if numbers are low.
