The Week Ahead

Monday 12th June	S07 – Angela Travel Training, 9:00am – 3:30pm, (Science Works) Grade 3/4 Hooptime, 9:00am – 3:00pm, (Eagle Stadium – Ballan Road)
Tuesday 13th June	
Wednesday 14th June	GAT Exam, 10:00am – 1:215pm, (Amadeus Hall)
Thursday 15th June	School Banking Grade 3/4 Hooptime, 9:00am – 3:00pm, (Eagle Stadium – Ballan Road) Outdoor Education, 9:00am – 2:30pm, (Blackwood) Bring a Can for the Salvos, 10:30am – 12:30pm, (Salvation Army – Werribee)
Friday 16th June	Breakfast Club, 8:15am – 8:45am (Links Space – Eildon) Prep – 2 Assembly, 2:00pm, (Barlee Gym)

Dear Parents/Guardians,

Social Media: College leadership and teachers have been asked to intervene recently following inappropriate, rude and insulting social media behaviours between students, and unknown parties; that is occurring outside of school hours. Where we can assist by speaking to a student about appropriate on-line behaviour we will. We will

also do what we can about providing support for affected students, but the availability of school resources is limited.

Social media, in almost all cases has a minimum age requirement of 13. Parents allowing their children in Year 7 and below to access social media, Facebook, Instagram etc. are enabling a significant risk to their child. There are recommendations about how children should be introduced to social media, e.g., parent supervised time, parent checking of posts etc., which should be followed to minimise risk.

If your child becomes the victim of cyberbullying, please report it to the school so we are able to see what assistance can be provided. The information below is to assist parents with actions they can take about cyberbullying as well as a sheet attached to this newsletter on Parenting Tips.

If you think the social media content is explicit, pornographic or exploitative of minors, contact the eSafety Commission <https://esafety.gov.au/complaints-and-reporting>

How do I report inappropriate content? Most websites have a 'report/block this person' or 'report/block this content' function. Links to report or block users can be found below:

- Facebook: www.facebook.com/safety
- Instagram: help.instagram.com
- Google (including YouTube): google.com/support/go/legal
- Tumblr: www.tumblr.com/help
- Twitter: support.twitter.com
- eSafety Commissioner: <https://www.esafety.gov.au/complaints-and-reporting>

North East Corner of School Oval: I am a very reluctant, and highly disengaged user of social media, however, others reported there is a Facebook page that focusses on Manor Lakes College. Recently there was a discussion about the fencing that has been erected around the north east corner of the school oval. I was expecting this to happen, but I am surprised at the speed it has occurred.

I was approached some time ago by Department of Education Infrastructure staff. They were looking for a site to build a Western English Language School facility. The Western English Language School provides intensive English instruction for children who are new, non-English speaking arrivals to Australia. I have not been filled in on the demographics but assume there are increasing numbers of families residing in the Wyndham area who are recent arrivals.

The block of land the school is on has two titles, the area being enclosed by the steel fence and the school oval along Scholar Drive are on a title belonging to the Department of Education. The community oval and the Community Centre are on a title owned by the City of Wyndham. Our students use the school oval at recesses and lunchtimes, but the area enclosed by the temporary fence is too far from the main part of the school to be supervised as effectively as I wish. In my discussions with the Department of Education, I had no concerns about them using an area of their title to build the Western English Language School outpost because we have limited use for the area. The WELS outpost will be self-managing but will share an area of the Department of Education's land title.

School Oval: Linked to the article above, I received information from the Wyndham City Council that they were successful in accessing a Shared Facilities grant to upgrade the school oval. I have not been given the time frame, but funding has been approved for the council to regrade and resurface, repair and install a watering system, install lighting and install cricket nets. The oval will remain Department of Education property, and we will have full use during school hours. Organisations will apply to the City of Wyndham's recreation department to use the oval outside school hours, e.g. the Manor Lakes Football Club may book training times for junior teams to train after school.

The WELS outpost will take up a corner of the block, but will not impede the works taking place and providing a much better facility for school and community use.

Primary Playground: My, thanks to the Student Representative Council who worked with the primary classes to identify preferred playground pieces to be installed into a playground to be built north of Bonney. Work should commence in a few weeks, and be complete by the end of next term. More information will be provided in future newsletters.

Year 2 Fundraiser

We would like to welcome all students, parents, families and carers to join us for a sausage sizzle following our P-2 Assembly.

Friday 16th June from 3pm
Bonney Basketball Courts

All funds raised will support our maths programs by purchasing additional resources and supplementing the home reading program.

Indonesian News

During Term 2, some of the Language Master Classes have been focusing on Indonesian arts and crafts.

Selected students from Year 4 made Shadow Puppets known as 'Wayang Kulit', which are famous in the cultures of Java, Bali and Lombok and designated by UNESCO as one of the Masterpieces of the Oral and Intangible Heritage of Humanity. Chloe B, Anyssa D, Anton B, Annika S and Akshu B created excellent shadow puppets and were able to show them behind a white sheet with a projector used for back lighting.

Selected students from Year 6 watched a short documentary about mask making in Bali and then made their own masks using sequins and other materials and tools borrowed from Cindy Pedrana and the Primary Art Department. Olivia A, Candice W, Bradee S, Jaxon M, Alannah W, Gabriel T and Ella J completed their masks. They all turned out well with only a short amount of time to design, cut out and decorate them.

Peter Osboldstone
Language Teacher (P – 6)

Revised Homework Policy Prep – Grade 6

The Education Sub Committee has revised the Prep-6 Homework policy. We invite all interested parties to review and provide feedback for this revised policy as a written submission. Please send your feedback to porter.rhiannon.b@edumail.vic.gov.au alternatively; written submissions can be handed in at College reception. All submissions are due by Thursday 29th June 3:00pm. A copy of the revised Homework policy is included as part of this newsletter. Rhiannon Porter, P-2 Curriculum Leader

Policy : Years Prep-6 Homework Policy

written	24.02.2012
reviewed	26.04.2016
ratified	03.05.2016

We Act Safely **We Aim High** **We Show Respect** **We Value Our Community**

Rationale

Consistent with the mission of Manor Lakes P-12 College, the homework program encourages students to take responsibility for their own learning. It encourages engagement with family and community, while recognising the many interests/activities that individuals and families pursue outside of school hours. Designed to be a positive experience for all involved, homework provides children with the opportunity to:

- develop a balanced lifestyle;
- develop regular study habits;
- take responsibility for their own learning;
- work independently in a self-motivated way;
- make links to wider community activities.

Guidelines

Manor Lakes P-12 College implements its Years Prep-6 Homework Policy in line with the DET Homework Guidelines and Expectations. Homework will include an array of different activities to support the learning taking place within the classroom. Manor Lakes P-12 College recognises that many of our students and families engage in after school activities, so homework set is designed primarily to encourage positive family interactions and to allow relaxed time for children to pursue their own learning.

Homework at Manor Lakes P-12 College takes into account the need for a flexible homework schedule that accommodates students' after school commitments, and fosters the development of the students' planning and time management skills. It encourages students to interact with family members, as well as finding time for themselves and their interests. This homework policy is designed to assist in making home tasks more meaningful for students and their families.

Homework at Manor Lakes P-12 College encourages communication between teachers, parents/carers and students about student learning. Homework activities complement the learning happening within the classroom and support the development of skills and knowledge in all students. Homework is designed to be challenging yet achievable, and considers the diverse range of students' individual learning styles and abilities.

Differentiation of Homework Tasks

The positive effects of homework should be the same for all children. Therefore, homework must be differentiated where possible, to suit individual needs. Teachers and parents/carers are to work together to ensure that all children understand homework tasks before attempting them.

Implementation

Homework will be provided to students on a regular and consistent basis and will be expected to be returned completed and signed by the due date.

The nature of homework tasks may change from term to term, reflecting the curriculum and different emphasis in the teaching program. However, homework activities will be designed to provide students with opportunities to practice skills, review content and deepen understanding of concepts learned.

Students are expected to continue their Home Reading program throughout all year levels of the College.

Teachers can support students by:

- setting homework regularly with clear expectations and due dates;
- differentiating homework tasks to suit individual needs;
- ensuring that all students understand homework tasks before attempting them;
- ensuring that parents are informed of homework tasks and relevant due dates;

- providing prompt feedback to students, as per DET Homework Guidelines.

Students can take responsibility for their own learning by:

- clarifying any homework tasks they do not understand with their teacher;
- seeking assistance when required;
- writing homework in diary or take homework tasks home;
- organising their time to manage home obligations, participation in physical activity and sports, and recreational and cultural activities;
- sharing homework with parents/carers.

Families/Carers can support their child by:

While most students should not need the help of an adult when they complete homework, they do have a role to play. They should:

- develop a positive and productive approach to homework;
- create a home environment that facilitates the student's homework;
- encourage and offer help when such help is clearly required;
- offer moral support and be positive;
- report any difficulties to the teacher;
- allow ample time to play and engage in all activities assigned as homework (including the more informal tasks);
- spare some time to engage in those tasks that require parent/carer participation;
- reinforce the idea that learning the balance between work and play is a lifelong skill;
- sign the homework when it has been completed by the student (on the due date).

If a pattern of homework avoidance develops, the class teacher will work with the child and their parents to foster improved homework routines.

Homework Recommendations

Year Level	DET Homework Recommendations
Prep	<ul style="list-style-type: none"> • can foster a sense of self-discipline and responsibility and prepare students for upper grades • enables the extension of class work by practising skills or gathering of extra information or materials • will mainly consist of daily reading to, with, and by parents/carer or older siblings
1	
2	
3	
4	
5	<ul style="list-style-type: none"> • should include daily independent reading • may extend class work, projects and assignments, essays and research
6	

As stated in the DET Homework Guidelines

Evaluation

- Ongoing feedback from teachers, parents/carers and students, including Staff and Parent Opinion Survey and Attitude To School Survey.
- This policy will be reviewed as part of the school's three-year review cycle, or as required due to changes in relevant Acts, Laws or should situations arise that require earlier consideration.

Vocational & Higher Education News

Bachelor of Biosecurity Science at Box Hill Institute: This course is designed for people looking to protect Australia and its environment from the threat of invasive animals, plants, pests and disease. Developed with industry and government input, this is the only dedicated undergraduate biosecurity science degree in Australia. Graduates from this course will find work in agriculture, nurseries and wineries and the national Post-Entry Quarantine facility. For more information, go to www.bhtafe.edu.au/

Do you enjoy studying arts and/or humanities? The Arts Scholars Program at Australian Catholic University is for high achieving students who are enrolled in one of the following courses:

- Bachelor of Arts (must be majoring in one of the following: Digital Journalism, Drama, Economics, Geography, History, Literature, Digital Media, Music, Politics, Sociology or Visual Arts)
- Bachelor of Arts/Bachelor of Global Studies
- Bachelor of Creative Arts

Students will receive one to one academic mentoring, and participate in research. Selection for the program is based on invitation at the end of the first year of the course and will be based on the students' grade point average. For information about the program, go to <http://bit.ly/25IkYb1>

Are you passionate about science? Have you considered studying pharmacy or pharmaceutical science? "A pharmaceutical scientist is an expert in the science related to the development of drugs – how drugs work, how safe and effective pharmaceuticals are taken to market, their impact on the body and their effect on the treatment of disease. A pharmacist dispenses medicines, provides advice and manages a patient's medication requirements." Taken from <http://bit.ly/2s9clbs>

You can study Pharmacy and Pharmaceutical Sciences at the following Victorian universities:

Pharmaceutical Sciences

Monash University, <http://bit.ly/2cMlqkG>

- Bachelor of Pharmaceutical Science
- Bachelor of Pharmaceutical Science (Advanced Honours)
- Bachelor of Pharmaceutical Science/Bachelor of Chemical Engineering (Honours)

Deakin University, <http://bit.ly/2rFVzzN>

- Bachelor of Biomedicine, majoring in Pharmaceutical Science

Victoria University, <http://bit.ly/2sslfr>

- Bachelor of Pharmaceutical and Health Science

Passionate about music? Collarts is a private College located in Melbourne. Vocational and higher education courses are offered in Entertainment Business, Music Performance, Music Production, Entertainment Journalism, Creative Content, and Audio Production. Students have the opportunity to undertake exchange programs and study tours in the US and Europe, <http://bit.ly/2qPqgzg>

Several Collarts students participated in a song-writing program in Germany. You can read about their amazing experience here - <http://bit.ly/2rJepGx>

Fashion at RMIT: RMIT is renowned for their vocational and higher education fashion, textiles and millinery courses. Two RMIT fashion students were able to complete a two-week work experience program at Christian Dior in Sydney. You can read their stories here - <http://bit.ly/2qWUsYz>

Have you considered studying hotel management? This is an exciting industry with opportunities to work in Australia and overseas. Hotel management suits students who enjoy interacting with people from different backgrounds, enjoy travel, have excellent communication skills, are highly organised and enjoy solving problems. Being able to speak a second language is highly desirable in the industry.

The following are examples of institutions that offer courses in hotel management:

- The Hotel School Melbourne: <http://bit.ly/2sd33ax>
- William Angliss Institute, Melbourne: <http://bit.ly/2aKOtyz>
- Australian School of Management, Melbourne: <http://bit.ly/2reU9fk>
- International College of Hotel Management, Adelaide: <http://bit.ly/2qu6BF1>
- Blue Mountains International Hotel Management School, <http://bit.ly/2rN93KG>

Interested in Veterinary Nursing? This is a fantastic occupation for those who are passionate about working with animals. Veterinary Nurses assist Veterinarians in all aspect of animal patient care, including surgical procedures, laboratory testing, medical treatment, and consultations.

To become a qualified Veterinary Nurse, you usually have to study the Certificate IV in Veterinary Nursing whilst undertaking paid employment in a Vet clinic. This can be completed through a traineeship or online study. Once qualified, you can undertake further study to specialise in dental, surgical or emergency and critical care. For information on this occupation, go to <http://bit.ly/1OXBCGx>

You may also consider studying a paraprofessional qualification at the university level:

- **Associate Degree in Veterinary Nursing, Melbourne Polytechnic:** This is the first paraprofessional veterinary nursing qualification of its type in Australia, <http://bit.ly/1JdNWUe>
- **Bachelor of Veterinary Technology, Charles Sturt University:** this course can be undertaken at the Wagga Wagga campus or online, <http://bit.ly/1BCc1w4>

Habitat for Humanity: A volunteer trip to Cambodia over Schoolies Week – an alternative to the typical Schoolies celebrations – for students who are seeking to celebrate the end of year 12 in a more rewarding way. This build designed for school leavers and university students aged 18 – 25 will take place in Cambodia, outside of Phnom Penh. We have chosen this location as they regularly host school builds and consistently provide a safe, fun and rewarding experience for our younger volunteers.
<http://habitat.org.au/volunteer-overseas/upcoming-builds/schoolies-build>

Upcoming Events

Box Hill Institute: Box Hill offers some of their vocational and higher education courses at the City campus. The Institute will be running the following sessions during the school holidays to assist students to explore their post school options:

- 15 June: A Day in the Life of a Creative Artist
- 3 July - 1 day or 3-5 July - 3 days: A Day in the Life of a Fashion Illustrator & Develop Your Portfolio
- 4 July: A Day in the Life of an Accountant
- 10 July - 1 day or Monday, 10-12 July - 3 days: A Day in the Life of a Fashion Designer
- 11 July: A Day in the Life of a Nurse
- 12 July: A Day in the life of a Beauty Therapist

For information and to register your place, go to <http://bit.ly/2s8YW2R>

Focus on Melbourne: The University of Melbourne is running a series of evening seminars showcasing their course areas. Dates for June are: Law (8), Music (13), Fine Arts (20), and Education (21). For information and to register, go to <http://bit.ly/23A4MUN>

Business at Monash University: Monash is running an information seminar about their business programs on the 14th of June. For information and to register, go to <http://bit.ly/2ki2NYw>

Endeavour College of Natural Health is running an open day at their Melbourne campus on Saturday 17 June. The College offers courses in Acupuncture, Myotherapy, Naturopathy, Nutritional and Dietetic Medicine, and Complimentary Medicine. For more information and to register go to <http://bit.ly/2pRWsnA>

Are you interested in creative media? The Academy of Information Technology is a private College located in Melbourne. Courses are offered in the following areas: IT, Mobile Apps, Games Programming, Game Design, Digital Design, Film, Interactive Media, 2D Animation, and 3D Animation. The Institute is running the following information sessions and school holiday programs.

- 21 June: Information Night
- 3 – 4 July: 2D Animation Workshop
- 6 – 7 July: Game Development and Unity Workshop
- 7: Advanced Unity and Artificial Intelligence Workshop

For information and to register go to www.ait.edu.au

Marine Careers Day: The Boating Industry Association of Victoria (BIAV) invites you to the Marine Careers Day at the 2017 Melbourne Boat Show. The day will be held on Monday 19 June at the Melbourne Convention & Exhibition Centre. For more information and to register your attendance go to <http://bit.ly/2rJdsuB>

JUNE

- **8 – 21: Focus on Melbourne University:** Law (8), Music (13), Fine Arts (20), Education (21), <http://bit.ly/2pWxQIT>
- **14: Inside Monash Seminars:** Business, <http://bit.ly/1Scshkl>

Wednesday	26 th July	Selected Intermediate Boys AFL Football Western Metropolitan Region Semi Finals, 9:00am – 3:00pm, (Maribyrnong Park & Overland Reserve)

Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.jdlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, proving consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.

Newsletter Sign Up

The college newsletter can be accessed online via the college website: www.manorlakesp12.vic.edu.au. We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information is published on a weekly basis

Personal Property

- Students are discouraged from bringing valuable personal property to school (including mobile phones)
- If students choose to bring valuable personal property to school, they do so at their own risk
- The Department and the college do not hold insurance for personal property brought to schools and therefore it will not generally pay for any loss or damage property own risk.

Grievance Procedure for Parents/Carers

- Step 1: Make an appointment to meet with the teacher.
- Step 2: If the issue is unresolved, make an appointment with a Sub-school Assistant Principal
Ph. 9741 4202
- Step 3: To reach final resolution you may need to meet with the Assistant Principal on more than one occasion.
- Step 4: Make an appointment with the Principal via the Principal's Executive Assistant.
- Step 5: If you are still dissatisfied phone or write to the Principal.
- Step 6: After steps 1-5, if the matter is not resolved, then the issue can be raised with the Regional Office on 9291- 6500
