Dear Parents and Carers,

One of our students Jes W from 5 Bonnie has just recently competed in the BMX State Championships in South Australia. Jes placed 4th and 5th in the aged 11 boys' category. Jes has competed in various events and has the Victorian State Titles coming up in Shepparton. We wish him well and will keep you posted on how he goes in Shepparton. Well done Jes!

On Tuesday our 2017 Preps started their transition afternoon at the college. We had around 70 future students come along to experience some time in the classroom. These students will attend weekly for the next four weeks until the 5th December. We also had our Prep Parent Information session on Tuesday night with around 60 future and current parents coming along to hear all about the college and programs.

Yesterday was the start of year 12 exams across the state. It is a nervous time for all concerned, students and parents, and I wish our students all the very best over the next few weeks.

Next Monday we have a curriculum day at the college followed on by a public holiday for Melbourne Cup day on the Tuesday so no students are required at the college on either of these days.

Our grade 2 students have their annual school sleepover happening in Amadeus Hall next Wednesday night. There are many excited students that are looking forward to the fun activities planned for the night and getting a chance to have a sleepover with their class mates. There will be some very sleepy students and staff on Thursday I am sure!

Yesterday our grade 6 softball team headed off to Keilor Park to participate in the SSV Primary State Softball Finals. They lost their first match again Newport Gardens 9 to 3 there was lots of nerves for the first game but then in the second match against Manifold Primary School it was a close game, 6 to 5, with some amazing catches from Marcello, Diesel and Gardynia and two home runs by Suliasi! The third and final match was a loss against Manama Primary School but there was some excellent fielding from the boys and another 2 home runs from Suliasi and an individual home run from River. Thanks to Wendy Ballard who has been with the team along the way and she reported back to me that the boys always showed our four school values and played respectfully and lost gracefully. Well done to all of the boys!

I attended my first College School Council meeting last night in my official capacity as principal. I was able to explain some of my intentions around student learning and College organisation beyond 2016. I have a very explicit expectation on teachers focussing on working with students to achieve the best outcomes possible. To this end, the College will organise as a primary, P-6, sub-school and a secondary, 7-12 sub-school in 2017 and beyond. There will be minimal impact on parents and students from this decision, it is based on curriculum organisation, teacher work agreements, and teaching approaches in different year levels.

I also spoke about the school's facilities including my surprise and concern about the lack of security fencing around the school. I am interested in receiving feedback from parents about a proposal to erect higher fencing around the school. My reasons for proposing this are:

- Student safety: erecting fencing separating students from vehicle areas. Currently there is no fencing between the car parks on Minindee Rd and the play areas, nor is there any fencing separating students from the delivery area at the back of the school
- Strangers entering the grounds: I have observed adults walk through the school, and have read about incidents of this occurring in the past. This has resulted in staff locking themselves into buildings if they are in the school over holiday periods or outside hours. It also impacts on student safety in that there is nothing to limit the access of unknown persons entering the grounds.
- School security: the current open nature of the school enables people to enter the school grounds outside hours and this has resulted in theft, vandalism and general damage to facilities.

I would be pleased to hear from parents their thoughts on the proposals, both positive and negative. This feedback will be considered by school council when making the decision on whether to install security fencing. My email address is: warner.stephen.r@edumail.vic.gov.au

FETE NEWS!

The carnival is coming to Manor Lakes College!

Friday November 25, 3 - 7pm.

Our Fete is an opportunity to showcase our college, the talents of our students, and have fun and raise funds for our college.

RIDES

Dodgem Cars, Cha Cha, Monkey Mania Giant Jumping Castle, Music Trip, Giant Slide, Trackless Train, Chair-O-Plane

Wristbands will be available at the Fete for \$35, and single ride tickets are \$6 each, so

Avoid the rush and get your discounted Unlimited Ride Wristband!

\$30 for 1st Child

\$25 for 2nd Child

\$20 for 3rd Child

\$15 for 4th and subsequent children

Family discount only applies to wristbands purchased before close of business November 18.

Ride Wristband notes are located in the Argyle or Burley Griffin offices.

Ride Wristbands will be handed out on the day of the Fete.

FETE RAFFLE

We have a fantastic 1st prize for our Fete Raffle - a \$700 iPad - plus other great prizes. Raffle tickets can be purchased from Judy in the Burley Griffin office.

DONATIONS

We are hoping to receive further donations of cans of drinks, water, items for the Mystery Jars. If you can support us please give your donations to your classroom teacher or at the Argyle or Burley Griffin office.

ART COMPETITION

Competition entries need to reflect the theme "Carnival"

Works must be on paper or canvas only, no bigger than A3.

Categories are P-2, 3-6, 7-9 and 10-12.

All entries require name and class on the back of the work and are to be given to Cathy or Larissa in the Wyara art building, work will be on display during our school Fete.

Entries Close November 18; judging Thursday November 24.

Winning Entries from each category receive prizes donated by Cavalier Art Supplies.

VOLUNTEERS

Thank you to our volunteers who have helped out behind the scenes thus far. We need as many people as possible to help us set up for the Fete and then to pack up at the end. If you can spare some time to help us, please contact us on fundraising@manorlakesp12.vic.edu.au

Please Note: Volunteers must hold a current Working With Children's Check.

CAR PARK

The car park next to the Council Oval will be off limits from 5pm Thursday November 24 and all day on Friday November 25. Please make arrangements with your child in regards to drop-off and pick-up. Thank you for your cooperation.

Parents & Friends Community News

PBS Focus:

Goal setting to help me Aim High:

Making goals are an important skill. They motivate us to work towards what we want.

Can you make a personal goal to work on this term, using our college expectation for aiming high?

- I will be the best I can be.
- I will be a confident member of our college.
- I will be a helpful member of our college and community.
- I will 'have a go' at whatever is in front of me.

Second Hand Uniform Shop: The uniform shop will be open for Term 4 every second Wednesday in the Community Room (Eildon Learning Room) from 2.00pm – 3.00pm. Please see dates below:

Wednesday 2nd November, 16th November, 30th November & 14th December

All proceeds from the sale of items will be donated to State School's Relief.

Art Competition

Manor Lakes College celebrates all things carnival in an art competition!

- Competition entries need to reflect the theme "Carnival".
- Works must be on paper or canvas only, no bigger than A3.
- Categories are years P-2, 3-6, 7-9 and 10-12.
- All entries require name and class on the back of the work and are to be given to Cathy or Larissa in Wyara art building, work will be on display during our school fete.
- Entries close 18th November; judging Thursday 24th
- Winning entries from each category receive prizes donated by Cavalier Art supplies

Mr Showbags Fete Fundraising – All showbags \$6

Orders for Mr Showbags are now being taken.

Please have your child return their order form and money to school by **Wednesday 9th November**.

Your child will bring home their showbag/s prior to the fete. A limited number of showbags can be purchased on the night of our fete. Any enquiries can be directed to Sue McGowan.

Students Not Returning in 2017

Dear Parents/Carers

As we plan for the 2017 academic year, it is important that we have accurate information of student numbers.

Please notify the college if your child/ren are **NOT** returning to Manor Lakes College in 2017.

A **School Exit Form** must be completed prior to your child's exit date. This form can be completed now in preparation for the end of year.

(Please contact the college registrar regarding an exit form).

Grievance Procedure for Parents/Carers

- Step 1: Make an appointment to meet with the teacher.
- Step 2: If the issue is unresolved, make an appointment with a Sub-school Assistant Principal
Ph. 9741 4202
- Step 3: To reach final resolution you may need to meet with the Assistant Principal on more than one occasion.
- Step 4: Make an appointment with the Principal via the Principal's Executive Assistant.
- Step 5: If you are still dissatisfied phone or write to the Principal.
- Step 6: After steps 1-5, if the matter is not resolved, then the issue can be raised with the Regional Office on 9291- 6500

Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.jdlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, proving consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.

Newsletter Sign Up

The college newsletter can be accessed online via the college website: www.manorlakesp12.vic.edu.au. We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information is published on a weekly basis

Personal Property

- Students are discouraged from bringing valuable personal property to school (including mobile phones)
- If students choose to bring valuable personal property to school, they do so at their own risk
- The Department and the college do not hold insurance for personal property brought to schools and therefore it will not generally pay for any loss or damage property own risk.

Career News

News from the University of Melbourne

Interested in studying law in the future? Secondary school students interested in a career in law can subscribe to the "Future Law" newsletter. This will allow prospective students to be kept up to date about special events, key application dates, news and more within the Melbourne Law School. To subscribe, go to <http://bit.ly/2eXFxg8>

New Bachelor of Design: In 2017, the University will accept the first cohort of students in the new Bachelor of Design. The following majors will be on offer:

Architecture, Civil Systems, Computing, Construction, Digital Technologies, Graphic Design, Landscape, Architecture, Mechanical Systems, Performance Design, Property, Spatial Systems & Urban Planning
For information on the new degree, go to <http://bit.ly/2el7ZNO>

News from Swinburne University

New partnership with Richmond Football Club: A partnership has been formed to establish the Richmond Institute of Sports Leadership. Offering a combined TAFE Diploma of Sports Development and Diploma of Leadership and Management, the partnership aims to create opportunities for students looking to pursue careers in the sports industry. To learn more about the initiative and dates for upcoming open days, go to - <http://bit.ly/2elGzbW>

New technology apprenticeship: Swinburne has teamed up with AiGroup and Siemens to pilot a new higher level applied technology apprenticeship. The pilot will initially involve 20 participants through participation in a Diploma and Associate Degree in Applied Technologies with guaranteed pathways for graduates to a relevant Bachelor Degree by 2020. For information on the new partnership, go to <http://sie.ag/2dA72LJ>

Industry scholarships maximise students' employability potential: Swinburne's specially designed Bachelor of Information Technology and new Bachelor of Accounting and Information Systems offer students two work placements, a \$40,000 scholarship and exclusive opportunities to fast track their career. For information on the courses, go to <http://bit.ly/2e1WPUn>

News from La Trobe University

New Bachelor of Business (Agribusiness) degree: Agribusiness has historically been a driver of economic growth in Australia. With rising Asian demand for food and fibre the agribusiness sector has the potential to once again be a major driver of economic growth in Australia.

This agribusiness course provides you with an introduction to animal and agricultural sciences, land and water management, as well as a study of management, marketing and finance applied to the particular needs of agribusiness industries. This course will be delivered at all La Trobe campuses. For information on the course, go to <http://bit.ly/2elqJgc>

Focus on the Bachelor of Politics, Philosophy and Economics: This course is a degree for future policy makers and shapers. The only University in Victoria to offer such a degree - the focus is on public policy. Students who undertake the degree are interested in becoming decision-makers and opinion shapers. Throughout the course, students gain an in-depth look at how society is structured, as well as economic theory on globalisation, markets and competition, along with international relations. There's flexibility to tailor the degree, including opportunities for overseas exchange and studying a language. Graduates are prepared for analytical and leadership roles in the public, private and non-profit sectors, both in Australia and internationally, <http://bit.ly/2ey1iik>

Resource for parents: Secondary school students aren't the only ones who need to adjust to university life. For parents and carers, university can take some getting used to as well - especially if their child is the first in the family to attend. La Trobe's online resources for parents provide an overview of what they need to know as their child prepares for university. This includes what student support is available on-campus, advice about living away from home and making the transition from study to a career, <http://bit.ly/2eY1fAG>

Starting University Advice

What Degree? Which University?

What Degree? Which University? is your guide to making an informed decision about what degree to study, and at which university. Our website is written and run by the students themselves, to equip you with authentic information based on real experiences. Instead of official jargon, we give you the facts straight up. You can use What Degree? Which University? to search information by degrees, by universities, or even by subject areas and interests by using our keyword search bar.

<http://www.whatdegreewhichuniversity.com/>

News from Monash University

New accelerated Bachelor and Master Engineering program: Monash's Bachelor of Engineering (Honours) is now also available in a Bachelor of Engineering (Honours)/Masters vertical double pathway. This is an accelerated program for high-achieving students to be on track to earn, in just 5 years, both a Bachelor of Engineering (Honours) and an expert master's degree in Advanced Engineering. A scholarship worth \$32 000 is also available to eligible students. For more information, email Alana Harries at alana.harries@monash.edu

New Bachelor of Psychology (Honours) with guaranteed honours entry. Our new Bachelor of Psychology (Honours) degree is ideal for students interested in understanding the brain and human behaviour. This four-year specialist course includes guaranteed placement into an honours qualification (provided minimum university requirements are met). Graduates can register as a provisional psychologist, pursue research or explore a wide range of careers in diverse settings, <http://bit.ly/2ezpHpm>

Events at JMC Academy

JMC is a private college located in Melbourne. The institute offers vocational and higher education courses in the following areas: Animation, Audio Engineering and Sound Production, Game Development, Digital Design, Entertainment Business Management, Contemporary Music Performance, Songwriting, and Film & Television Production.

The following events will be running in the near future:

- **Information Sessions** – general information session and a scholarships information session – Saturday 19 November, <http://bit.ly/2eJ5Gvu>
- **Workshops for high school students.** Covers a range of course areas including Film and Television, Entertainment Business Management, Songwriting, and Stagecraft and Performance – December 2016 and January 2017, <http://bit.ly/2eezaSp>

Passionate about ICT? Targeting Year 9–12 students, Careers with Code showcases computer science graduate stories and highlights study options. The 2016 Careers with Code is every student's ultimate reference point for all things computer science. This year, the magazine will look at how computer science is transforming business, health, urban planning, sustainability, food security, gaming, fashion and policy. To download your copy, go to <http://bit.ly/1UgX7Vf>

2018 ADF Gap Year intake

Students interested in taking an ADF Gap Year in 2018 can register their interest to receive an email as soon as the 2018 details are available.

Entry requirements:

- Australian Citizen or hold Permanent Resident status
- At least 17 years old (on entry)
- Completed Year 12
- Reasonably fit and healthy, with an acceptable Body Mass Index.

<http://www.defencejobs.gov.au/education/gap-year/>

The Job I Love Guide

'The Job I Love' allows students and jobseekers to find out about occupations and careers within the service industries. It has information about qualifications, how to find training, and which courses lead to which jobs. Download it here: <http://thejobilove.com.au/>

Passionate about design? The Academy of Design Australia is offering free workshops for students on Wednesday 30 November. These workshops will provide an overview of the major-studies offered by the Academy. Students can choose one workshop from the following:

- Communication Design
- Fashion and Costume Design
- Filmmaking and Photography
- Graphic and Digital Design
- Interior Design
- Visual Arts.

These sessions give students the opportunity to meet with current tutors, who are all practicing artists and designers, as well as ask questions about working in a creative field. For more information and to register your place, go to <http://bit.ly/2elsav9>

Hand Brake Turn

Hand Brake Turn provides practical training in a fully equipped mechanical workshop. They offer a Certificate II in Automotive Body Repair Technology, and the environment is suited to learners who have had difficulty with the mainstream education system. The course will provide work skills and teamwork as well as the structured training.

<http://www.concernaustralia.org.au/handbraketurn/>

William Angliss Institute Scholarships

Various scholarships for commencing students at William Angliss Institute are now open. Scholarship applications close 10th November.

<https://www.angliss.edu.au/future-students/scholarship-information>

William Angliss Flight Attendant Pre-Training Course

This course can be completed in two weeks of full time study, and will leave graduates with the necessary skills to apply for flight attendant positions. Students need to have completed year 11 to apply.

<http://coursedetails.angliss.edu.au/future-students/course-search/certificate-ii-in-tourism-flight-attendant-pre-training>

Indoneasian Update

Selamat Datang! (Welcome!)

A new game which was developed and supported by the Department of Foreign Affairs and Trade, the Australia Indonesia Youth Association and the Asia Education Foundation is now available for free download on the 'App Store.' Please help your child download this on their iPad for use at home and at school.

You can read more about this new game on either of the following websites:

<http://www.aiya.org.au/category/next-door-land/>

<http://nextdoorland.com/index.php/en/>

The game is a great way for children to learn about Indonesia and realise how close it is to Australia. As it states on the website:

"Next Door Land will take you on a virtual journey through Australia and Indonesia. Along the way, you'll get to experience the hustle and bustle of Jakarta, race to the top of Sydney Harbour Bridge, learn to play the gamelan, surf near Perth, cook Indonesian dishes and play cricket in Adelaide. You'll also learn about the history of both countries, their traditions, cultures, architecture and mythology."

In Term 4, I will be teaching some of the classes in Year 3, 4 and 6 and each year level will be studying a different topic:

- Year 3: Food and Drinks
- Year 4: Describing Illness and Injury
- Year 6: Travel to the Indonesian Islands

I encourage all students to continue practising their Indonesian at home using their iPads with both Languages Online and Next Door Land.

Terima kasih (thank you),

Peter Osboldstone
