No.27, Week Ending Friday 16<sup>th</sup> August, 2019

**SUPERVISION IN THE YARD BEGINS AT 8:35 AM AND ENDS AT 3:15 PM**

## The Week Ahead

DESCRIPTION		PAYMENT DUE
<b>Mondays</b>	Primary Breakfast Club, 8:00am – 8:30am (Outside Argyle)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Tuesdays</b>	Rushford's Uniform Shop, 8:30am – 10:30am (Argyle Building)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Wednesdays</b>	Primary Breakfast Club, 8:00am – 8:30am (Outside Argyle)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Thursdays</b>	Rushford's Uniform Shop, 2:00pm – 4:00pm (Argyle Building)	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Fridays</b>	School Banking Day	N/A
	Secondary Breakfast Club, 8:15am – 8:45am (Wellbeing Hub)	N/A
<b>Monday 19<sup>th</sup> August</b>	RSA Night 2	19/8
<b>Tuesday 20<sup>th</sup> August</b>	Secondary Division Athletics Carnival	13/8
<b>Wednesday 21<sup>st</sup> August</b>	Year 9 'The Summit' Camp departs	9/8
	Primary District Athletics Carnival	14/8
<b>Friday 23<sup>rd</sup> August</b>	Year 9 'The Summit' Camp returns	N/A
	VCAL DES Excursion	1/8
	Gr 4 Science Fair, 9am	N/A
	Primary & Supported Assembly (Barlee Gym)	N/A
	Prep – Grade 2 Book Parade, 9:00am – 9:50am (Barlee Gym)	N/A
	Grade 3 – Grade 6 Book Parade, 10:00am – 10:50am (Barlee Gym)	N/A
	Supported Learning Book Parade, 11:30am (Echo Yard)	N/A
<b>Saturday 24<sup>th</sup> August</b>	College Working Bee, 9:00am – 12:00pm	N/A

Students are deep into their learning as we mark halfway through Term Three. We have been immersed in Science lately. As we visited classrooms, we noticed amazing projects on display, plants growing and being measured, slime experiments on tables, and even Science Fairs run by our own students!

All students and teachers are about to embark on their first Author Study. We are confident the love of books will become a focal point over the next few weeks, especially after Book Week!

Many older students are working on leadership projects to do with our House Colours or the environment. Our youngest students have begun to explore the new Garden Beds (behind Hindmarsh), thanks to the funds raised from our Colour Run earlier in the year.

Students have also been busy practicing for the upcoming Big Day Out. Please save the date;  
**SATURDAY 26<sup>th</sup> OCTOBER from 1pm to 5pm**

Term Three really is our favourite term, where the learning is hard to keep up with!!

We hope to see everyone dressed up next Friday to celebrate “Reading is my SuperPower”.

From *Natalie Vulic* and *Kim McCabe*

## Primary Co-Principals

### Key Dates:

2019 School Terms:      Begin:                      End:                      2019 Curriculum Days (Students **DO NOT** attend school):

Term 3	15 July 2019	20 September 2019	
Term 4	7 October 2019	20 December 2019	Monday 5 <sup>th</sup> November

### Term 3 Assembly Dates

Friday 23rd August Barlee Gym

9:00 - 9:50 P-2 Book Parade

10:00-10:50 3-6 Book Parade

## Primary Author Study

During the second half of Term 3, students in all year levels will have the opportunity to delve deeply into an author’s life and body of work through our upcoming Author Study unit.

An author study helps students develop their reading and writing skills through; critically evaluate an author’s themes, characters, and writing style; make connections between the author’s life and work; and make personal connections between their own experiences and those of the author and his/her characters.

Students will have the opportunity to ‘read like a writer’, experiment with an author’s craft and create a finalised text through following the writing process.

Each year level has chosen an author whose texts have enduring social and artistic value. Texts that have the potential for enriching the lives of students and expanding the scope of their experience.

The authors chosen for each year level are:

**Prep** - Mo Willems

**Year 1** - Mem Fox

**Year 2** - Nick Bland

**Year 3** - Anthony Browne

**Year 4** - Margaret Wild

**Year 5** - Chris Van Allsburg

**Year 6** - Shaun Tan.

We encourage families to borrow texts by their children’s author from the public library and read these together for enjoyment.

## Tristan's Greatest Shave

Hi my name is Tristan. I am 10yrs old and I'm in Grade 5.

I decided to grow my hair to make wigs so it could be donated to Kid's Fighting Cancer and to raise money for Lung Cancer Foundation.

My Journey begun 2yrs ago. It is a very personal journey and was a decision I made on my own. At the time I decided to grow my hair I had recently lost 2 good friends to cancer. My Great Nanny was diagnosed with Lung Cancer around the same time my Godmother/Aunty was also diagnosed with Breast Cancer. I was fortunate to have gone to spend some quality time with Nanny, I went to support her through her Chemo sessions distracting her from the treatment by playing Uno, Connect 4 & Snap. This not only made me feel very proud and good about myself, but it also made my Nanny very proud of me and it also allowed her to forget for just a moment that she was having her Chemo. Very sadly two weeks later we received a message telling us my Nanny had lost her battle with Lung Cancer and passed away. This journey has been a very long personal and emotional one for me not only losing my loved ones but as I am a severe asthmatic and suffer with blood noses that are triggered when it's hot, as you can imagine growing my hair makes me feel hot most of the time. Not so long ago I was very happy to have been informed that my Godmother/Aunty had completed her treatments for breast Cancer and she is gaining her health and strength back and has been told she is Cancer Free. I am trying to fundraise \$1000 by Shaving my Beautiful Thick Long Curly Hair so I am asking for you all to come along to my 'Greatest Shave Day' where I will be having some Cake & Goodie Stalls, a Raffle or 2 as well as having an Auction where you can bid to cut one of my plaits off as well as witness me having all my hair shaved off for this very worthy cause. 100% of all the proceeds are being donated to the Lung Cancer Foundation. If you can not make my 'Greatest Shave Day' Event then could you please find it in your budget and heart to make a donation via my Fundraiser Page as it only takes a minute and any money you can give (no matter how large or small) will go a long way to helping me reach my target. I am looking at holding my event in approximately 4 weeks. I am in the process of setting a precise date along with confirming the venue, so full details will be announced as soon as possible. Thank you, I really appreciate your support.

My Event Details will be Announced on my Fundraiser Page as soon as Venue, Date & Time are Confirmed, I will also update Details on the Manor Lakes School Newsletter, so please keep your eye out & mark it on your calendars, invite your Friend's & Family to Support myself in Raising Money & Awareness whilst supporting me on this Journey in Growing my Hair & Preparing to Cut, Shave & Donate my Hair.

My Fundraiser Link is;

<https://lungfoundation.grassrootz.com/funds-for-lungs/tristan-s-greatest-shave-1>

♥♥♥♥♥ Tristan Seguna ♥♥♥♥♥

## Open Classrooms

On Thursday the 1st of August we held our primary open classrooms. Thank you to the parents that took time out of their busy schedules to attend. We hope you enjoyed your time in the classroom and are proud of your child(ren) work so far this term.

In grade 5C during open classrooms students, with help from parents were challenged to build a structure that could withstand an earthquake. This activity supported student learning as we are currently learning about natural disasters. Students were challenged to use art and craft materials to build a structure that could hold up in the earthquake simulator (a jelly model of land being shook!). See photos below of the fun we had.

## Math Open Night

On Thursday the 1st of August, after Primary classrooms we held our math open night. Staff were surprised at how popular this event was. For most of the hour there was no spot left unfilled. We are overwhelmed with your support and participation in this event and thank all guests, students and staff who helped make this night such a success.

## Book Week

On Friday the 23rd of August we are holding our annual book week parade. This year there will be two parades. Starting at 9:00 prep, grade one and grade twos will show off their favourite book characters in the Barlee gym. Starting at 10:00 the grade three, fours, fives and sixes will participate in the second parade, also in the Barlee gym. The book week theme this year is reading is my secret power. Students needs to get thinking about who they wish to dress up as. All parents and carers are welcome.

## Grade 5 Feature Articles

The last 2 weeks the grade 5 students have been learning all about feature articles, Tsunamis, Earthquakes and Volcanic eruptions. Viraaaj and Jaymar from 5B have already written some great examples of feature articles about Tsunamis and Earthquakes. Please see below:

### Tsunami

By **Viraaaj Aulakh** 23/07/2019

-Occurred on 9th July, 1958 at 22:15:58 at Lituya Bay, Alaska. -Waves were as high as 1,720 feet (525 metres)! It was higher than the Empire State Building! -There was a landslide which caused a 7.8 magnitude earthquake that triggered the tsunami. -"I looked up there and there was something like an atomic explosion", a witness told BBC. -"We were swept up above the land and over the trees and that's where I assumed we were going to end up", a victim said.

### 2011 Great East Japan Earthquake

By **Jaymar Haider** 23/7/19

Tōhoku, Japan has experienced an unexpected shake with a magnitude of 9.0-9.1 at 2:46pm. This shake was known as the fourth largest earthquake since 1935 and Japan's largest earthquake recorded.

The epicentre was 130km of Sendai, Honshu. The earthquake lasted 6 minutes which triggered a tsunami killing at least 20,000 people. In 2017 50,000 people were still living in temporary homes.

The depth of the earthquake was 32km and 125,000 buildings were damaged worth \$310 billion. This quake was recognised as the world's most costliest earthquake.

"I never experienced such a strong earthquake in my life", said Takahaki Takahashi.

According to residents of Japan, effects were felt in different countries all over the world especially next to Japan.

## 2019 Big Day Out

We are excited to confirm the date for the 2019 Big Day Out!  
Please save the date in your calendars:

**SATURDAY 26<sup>th</sup> OCTOBER from 1pm to 5pm**

For families new to Manor Lakes, the Big Day Out is a showcase of Manor Lakes College Arts. Students will partake in two performances, one Music and one Performing Arts (Dance), over various stages set up around the college. A showcase of Art work will also be displayed. Supported Learning students will also participate in the day, most likely by running their own stall.

**There will also be stalls, food trucks, show bags and RIDES!**

## MLC Working Bee

The College is conducting a Working Bee on Saturday 24th August 2019. We would really appreciate any volunteers from our Staff and Parent/Carer Community to assist our Facilities staff in works on the schools grounds, improving the yard for our students.

Tasks for the day will include the boxing of sandpits, planting of seedling and tube stock in garden beds, and the installation of outdoor bench seats and tables. These tasks will take place in Primary, Supported and Secondary areas of the College grounds.

**Come lend a hand!**

Please dress for outdoor work, and whilst we have all the necessary tools and equipment, any additional shovels, wheelbarrows, watering cans and hammer drills with masonry bits would be handy.

Students are welcome to join us if they are accompanied by a parent or carer.

A light lunch of pizzas and refreshments will be provided.

Please meet at the main College Administration (Burley Griffin) for a 9.00am start, with a 12.00pm finish.

Please contact Sam Watkins (Assistant Principal) or Steve Warner (College Principal) if you have any enquiries.

**Thank you!**

A big thank you to **Werribee Fresh Market** for their ongoing donation of fruit for the breakfast club & emergency lunches!

## 2020 Year 10 Course Counselling Day

Course Counselling Day for 2020 Year 10 students will be held on September 5<sup>th</sup> in Eyre. Appointments can be made between 9am and 5:40pm. More information to follow.

## Indigo Wolf Orders

The final Indigo Wolf order of the year closes **today Friday 16<sup>th</sup> August**.

Orders can be made at <https://indigowolf.com.au/manor-lakes-secondary-college/>

# Manor Lakes College

Sports Uniforms - Online Ordering

**IMPORTANT INFORMATION**

Your Manor Lakes Sports uniform is custom made to order and **not** in stock.  
**Pre-orders** are open now and **close on 16<sup>th</sup> of August** with **delivery on 11<sup>th</sup> October 2019**.  
**Delivery** - Garments will be delivered to the school for collection, not to individual homes

## First Aid

If students have any items of clothing belonging to First Aid at home, please return them to school as soon as possible.

## Father's Day Gift Bags

Father's Day gift bag order forms are being sent home this week.

The FACES team have put together 9 different gift bag choices containing an assortment of great gifts.

The Father's Stall will be held in Eildon on August 29 & 30. Gift bags can be collected over both days.

Any senior students who would like to order can print out the form at the end of the newsletter or collect a form from the Burley-Griffin office.

Please note that FULL payment will be required with the returned order form.

Some Pre-made gift bags will be available on the day prices between \$10-\$15. A catalogue of gifts will be communicated in the next coming days.

Please email the FACES team if you have any enquiries on [faces@manorlakesp12.vic.edu.au](mailto:faces@manorlakesp12.vic.edu.au)

## Big Day Out Volunteer Group

**FACES** (Fundraising and Community Event Support) are looking for members of our school community who can help with preparations for the College's 'Big Day Out' which is being held on Saturday Oct 26.

Each Friday in the Gordon staff room we will be meeting to complete different tasks. Commitment for every week is not required - come when you can. An hour or two of your help is all we ask.

This week we are wrapping 'Lucky Dip' prizes, making 'Mystery Jars' and 'Discount Hands' that will be sold at the BDO.

Future projects will be making flyers, signs and help prepare and organise other stalls.

Volunteering gets you out of the house, helps you make new friends and gives you satisfaction of helping to achieve something. If you're planning to go back into the workforce, volunteering is a great asset on your resume - these are just a few of the benefits of volunteering within your community.

Please contact Bec on 0403175925 or [faces@manorlakesp12.vic.edu.au](mailto:faces@manorlakesp12.vic.edu.au) for more info.

I hope to see some new faces and bring a friend.

Gordon Staff Room

9am Friday's

*Bec Collins*

**FACES**

## Parent Opinion Survey

This is a friendly reminder that the 2019 Parent Opinion Survey will remain open until **Sunday 18 August 2019**.

A random sample of parents were selected with a letter posted home. Please follow the step by step instructions on the letter to complete the survey.

Sincerely

*Chris Sacco*

**Leading Teacher – Accountability and Student Management P-12**

## 2020 School Photos

School photo dates for next year have been booked in:

- **Tuesday 5th May** Secondary Portraits
- **Wednesday 6th May** Primary Portraits and Class photos
- **Friday 8th May** Sibling and Absentee Photos

## Saver Plus

Back to school can be an expensive time for many families. The Smith Family and ANZ run a program called Saver Plus, a program that teaches people good savings and money management tools. Eligible families save \$50 / month over ten months and attend a short money management workshop in the local area. At the end of the program, ANZ provides \$500 funding for school and extracurricular expenses. The program has been running for 16 years and has many fantastic outcomes, including helping and encouraging parents to talk to their children about money from a young age – as early as preschool and primary school, right through the high school years. When parents' role model good money behaviours and have open conversations about the household budget, this helps children be better equipped to manage their money as they grow, and can help establish good money habits for life.

To be eligible, you must have children at school or studying yourself, have regular income (either your or your partner) have a current Health Care card or concession card and be receiving Centrelink benefits. Our local co-ordinator is Tina McElligott 0439 585 702.

## Could \$500 help you with school costs?

Join Saver Plus and we'll match your savings, dollar for dollar, up to \$500 for school costs.

- |  |  |
|--|--|
|  laptops & tablets  |  lessons & activities |
|  uniforms & shoes   |  books & supplies     |
|  sports fees & gear |  camps & excursions   |

To join Saver Plus, you must be at least 18 years or over, have a child at school or attend vocational education yourself, have regular income from paid employment (you or your partner), have a current Health Care or Pensioner Concession Card and be in receipt of an eligible Commonwealth social security benefit, allowance or payment\*

\* many Centrelink payments are eligible, please contact your local Coordinator for more information.

Saver Plus is an initiative of the Brotherhood of St Laurence and ANZ, delivered in partnership with Barry Street, The Benevolent Society and The Smith Family and other local community agencies. The program is funded by ANZ and the Australian Government Department of Social Services. Go to [www.dss.gov.au](http://www.dss.gov.au) for more information.

## WEEKLY CAREER NEWS

14 Aug 2019

### Dates for your diary

#### AUGUST

- **14: VTAC online webinar.** Learn about the VTAC application process, <https://bit.ly/2YQOyGa>
- **20: Meet Melbourne Uni, Bendigo,** <https://bit.ly/2Qaa5Nb>
- **25: Medical Radiations Career Open Day,** Peter MacCallum Cancer Centre, <https://bit.ly/2YUemfY>
- **28 – 29: Inside Monash Seminars:** Monash University, Engineering (28), IT and Computer Science (29), <https://bit.ly/2ki2NYw>
- **30: Planning ahead, your US & UK application timeline.** Crimson Education, Hawthorn, <https://bit.ly/33f3GDx>

#### SEPTEMBER

- **17, 18: Advice Nights,** Swinburne University, Warrnamatta Campus (17), Hawthorn campus (18), Aviation (18), <https://bit.ly/2Ki0nAl>
- **22: Doodle Day,** University of Melbourne, Dookie campus. For students interested in studying agriculture, <https://bit.ly/2Ka80LX>
- **24 - 26: Fashion Camp,** Kangan Institute, Richmond, <https://bit.ly/2Qcqv9iF>

### Huge demand for bilingual law graduates

Top tier employers such as Westpac, and PricewaterhouseCoopers, are increasingly calling for Asia literate graduates to meet the growing demand for global talent in the Asian century.

**Bilingual law graduates are in short supply and as a result, are far more employable.**

Reports from online Australian publication 'Lawyers Weekly' suggest that, if law graduates want to gain a competitive edge over their peers, the best way to get ahead is by combining their law degree with an Asian Language.

The following two courses are examples of how you can combine an Asian language with a Law degree.

**Australia National University:** Bachelor of Asian Studies/Bachelor of Laws (Honours), <http://bit.ly/1Lhe3G0>

**La Trobe University:** Bachelor of Arts (majoring in a language such as Chinese or Japanese)/ Bachelor of Laws, <https://bit.ly/2KQWp36>

### New joint medical program

From 2021, Western Sydney University and Charles Sturt University (CSU) will be offering the 5-year undergraduate Doctor of Medicine program at the CSU Orange campus. For information on the course and admission criteria, go to <https://bit.ly/2MYQFbT>

### Joint medical program between La Trobe University and University of Melbourne

Year 12 students planning their VTAC medicine preferences who have lived in a rural/regional area for more than 5 consecutive or 10 cumulative years should consider applying for the La Trobe University and University of Melbourne joint medical program.

Successful applicants complete the three-year Bachelor of Biomedicine (Medical) degree at La Trobe University Bendigo or Albury-Wodonga campus and then the 4-year graduate Doctor of Medicine at The University of Melbourne, Shepparton campus.

For information on the program, admission criteria, and prerequisites, go to <https://bit.ly/2TgA9HO>

Note: Chemistry and the UCAT are not required for entry into the Bachelor of Biomedicine (Medical) degree.

## Upcoming Open Days

10 August – 18 August

**La Trobe University** <https://bit.ly/2HDNdi6>

## University applications - VTAC

Year 12 students – have you started your VTAC application yet?

If you are planning to study at a Victorian university or TAFE within the next two years, you may have to apply through the Victorian Tertiary Admissions Centre (VTAC).

You don't have to know what courses you would like to apply for this stage, but you will need to start your application by the 30<sup>th</sup> of September to avoid a late fee.

The following are steps to follow to get started on your application.

### Step 1: Create a VTAC Account

Video on how to create your account - <https://bit.ly/2XVBIHV>

1. Go to [www.vtac.edu.au/](http://www.vtac.edu.au/)
2. Click on 'Sign Up'
3. Work through the steps. You will need your VCAA/NESA ID number and you can make up your own 4-digit pin.

### Step 2: Apply for at least 1 course

Video on how to order preferences - <https://bit.ly/2M25EKI>

1. Go to [www.vtac.edu.au/](http://www.vtac.edu.au/)
2. Click on Login and enter your VTAC ID and Pin (this has been emailed to you).
3. Select the course application link
4. Work through the steps

### Step 3: Pay processing fee

1. Login to your VTAC Account
2. Select the payment link
3. Pay the one-off \$39 processing fee by Monday 9 December.

### Step 4: Special Entry Access Scheme (SEAS)

1. Work out your eligibility for any of the four categories by exploring the VTAC SEAS site- <https://bit.ly/1PG8zi4>
2. Login to your VTAC Account
3. Click on the SEAS link and apply for any of the 4 categories that you are eligible for.
4. Organise supporting statements and any other required documentation and post them with the SEAS document cover letter to VTAC by 11 October or upload directly to the website.

### Step 5: Access and Equity Scholarships

1. Read about the scholarship application process and required evidence here- <https://bit.ly/1Kxa8kh>
2. Login to your VTAC Account
3. Click on the scholarships link and work through the steps.
4. Organise supporting statements and any other required documentation and post them with the Scholarship document cover letter to VTAC by 11 October or upload directly to the website.

### Applying for other states?

Use the following websites to apply for courses in other states.

NSW/ACT	<a href="http://www.uac.edu.au">www.uac.edu.au</a>
SA/NT	<a href="http://www.safac.edu.au">www.safac.edu.au</a>
WA	<a href="http://www.fisc.edu.au">www.fisc.edu.au</a>
QLD	<a href="http://www.qtac.edu.au">www.qtac.edu.au</a>
Tasmania	<a href="http://www.utas.edu.au">www.utas.edu.au</a>

## Focus on careers of the future

By the time you graduate from a degree or an apprenticeship, there will be many new jobs that haven't even been invented yet.

Technology expansion is rapid and who knows what jobs will be advertised in 10 years' time, let alone 50?

According to a La Trobe University video featuring their Bachelor of Arts degree, by 2030 2 Billion jobs will be obsolete, <http://bit.ly/1MBqTWO>

They will be replaced by ones that don't exist yet. The video also suggests you will have approximately 10 careers in your lifetime.

This doesn't mean changing employers 10 times, this means different occupations. So, you may start out as a builder and then move on to teaching and then to nursing.

The message of the video is that you have to be able to **adapt as the world changes**. You will need to continually work on developing your personal skills such as communication, team work, and problem solving.

You will also need to commit to lifelong learning to have up to date skills and to be competitive in the job market. So you may complete a university degree, then a TAFE qualification, then short courses, then a graduate university course and then more short courses.

There is no right or wrong way of doing things, but you need to be flexible and adaptable when it comes to change, because if there is one thing you can be 100% sure of, there will be lots of it.

**Amy Zuckerman is a journalist.** She developed futuristic job advertisements for several technology careers, including:

- Personal Virtual-Presence Agent
- Automotive Hybrid and Fuel-Cell-Vehicle Research Engineer
- Exobiologist to Study Alien Life-Forms
- Senior Biocomputing Engineer
- Digital Matchmaker
- Gene Diagnostician

Read the advertisements here - <http://bit.ly/1RlxuMa>

If you think they sound far-fetched, just remember that it wasn't so long ago that Facebook didn't exist, we couldn't access the internet via our phone, and blue tooth and cloud computing didn't exist.

We now have courses that focus on

- Global security and terrorism
- Genetic counselling
- Geomatics
- Human interface technology
- Renewable and 'green' energies
- iPhone & iPad App development, and
- Social analytics and data science

Apprenticeship, TAFE and university courses will evolve and develop as technology and our society evolves. The future is very bright and the world is certainly your oyster!

**The Canadian Scholarship Trust Plan** and foresight strategists recently came up with descriptions for jobs that may exist in 2030. Apart from jobs that haven't been invented yet, they have predicted what jobs may be like for occupations such as teaching, plumbing, etc., <http://careers2030.cst.org/jobs/>

Interesting job titles include:

- Nostalgist
- Rewilder
- End of Life Therapist
- Telesurgeon
- Simlicity

**Futurist Morris Miselowski** predicts that by 2050, 60% of people will be doing jobs that don't currently exist. He predicts we could be working in jobs such as:

- Transhumanist Designer/Engineer
- Nano Medic
- Memory Augmentation Surgeon
- Ethics Lawyer
- Weather Controller
- Spaceport Traffic Control

He believes that many jobs will focus on technology and the human body- improving health and extending human life, <http://bit.ly/RN7wlp>

Whilst many of these jobs focus on science and technology, all jobs will be affected and will either become obsolete or undergo significant changes.

Whilst in school, it is crucial that you engage in your studies and keep an open mind about the future. What you aim to be doing in even 5 years, may not be what you will actually be doing.

Just remember the mantra- change is constant and access your allies to assist you to navigate through your career.

**According to the Foundation for Young Australians**, the world of work will look vastly different to the world of work you currently experience. Robotics, automation, artificial intelligence, working remotely, and increase in digital work....many things will change - even within the next 10 years.

According to their New Work Smarts report, you can expect the following to occur by 2030:

- Automation and globalization will change what we do in every job.
- Within the next 10 years, many jobs will no longer exist
- Workers will spend 100% more time solving problems, 30% more time learning and 77% more time using STEM skills (science, technology, maths, engineering) than the same jobs demand now.
- Workers will spend more time getting value out of technology and use more digital skills (e.g., updating websites)
- Workers will be more flexible and independent in the workplace.
- With globalization, more workers will collaborate with people around the world.
- Workers will spend less time on routine and manual tasks due to automation, and more time focused on people, solving strategic problems and thinking creatively.
- Teenagers can expect to work for an average of 17 employers over their lifetime across 5 different careers.

# School/ Banking

Email: [schoolbanking@manorlakesp12.vic.edu.au](mailto:schoolbanking@manorlakesp12.vic.edu.au)

**Meet the Dollarmites**  
This week.....

**Pru**

Pru loves netball and swimming. Disciplined and driven, she dreams of being in the Olympics one day. She's also a fantastic saver, always putting away her spare change in her Palybank moneybox.

## Would you like a Slushie Maker?

**Yes?**

This is how you can get one:

Bank each week through School Banking (each deposit = 1 entry). Early next Term, the top bankers with the most entries will receive a Slushie Maker Cup. It's that easy!!!!

Any queries, please contact the Manor Lakes P-12 College School Banking Team on [schoolbanking@manorlakesp12.vic.edu.au](mailto:schoolbanking@manorlakesp12.vic.edu.au)

### School Banking Helpdesk
