## Free Meningococcal ACWY Vaccine for Years 10, 11 & 12

In 2017 the Victorian Secondary School Vaccine Program will offer free meningococcal ACWY vaccine to students in Years 10, 11 and 12. The vaccine provides protection against four strains of meningococcal disease (ACWY) and is administered as a single dose.

**Parents/guardians of Year 10, 11 and 12 students should look out for the Meningococcal ACWY Secondary School Vaccine Program consent card coming home from school with your child in Term 3. You need to read the information, complete and return the card regardless of whether your child is being vaccinated at school.**

Adolescents are at increased risk of meningococcal disease. Although uncommon, it can become life threatening, very quickly. There are different strains of meningococcal bacteria known by letters of the alphabet, including meningococcal A, B, C, W and Y. In recent years, the meningococcal W strain has increased across Australia, with Victoria experiencing 11 cases to date in 2017 and 48 cases in 2016, compared to 17 cases in 2015, four in 2014 and one in 2013. It is now the predominant strain in Victoria.

The Wyndham City Council immunisation service may contact you about the meningococcal ACWY vaccine program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. A letter regarding the Meningococcal ACWY Secondary School Vaccine Program has been uploaded as a Compass newsfeed item. Parents will receive notification via the email address on file. This letter has also been posted on the Manor Lakes P-12 College Facebook page. Parents will need to read this information and notify **Assistant Principal Renee Liprino in writing by 7<sup>th</sup> June 2017** if they **do not** want their contact details given to the Wyndham City Council immunisation service.

To learn more about meningococcal disease, the meningococcal ACWY vaccine and how you can prepare your child for vaccination, visit [betterhealth.vic.gov.au](http://betterhealth.vic.gov.au) or [immunehero.health.vic.gov.au](http://immunehero.health.vic.gov.au)

## Grade 5 Camp 2017

On the 17<sup>th</sup> May to the 19<sup>th</sup> May the Grade 5, students attended Camp Wyuna, located in Queenscliff. We took three buses from the College and when we arrived, the wonderful and helpful camp leaders introduced us to the camp.

There were four beautifully presented accommodation lodges - Swan Bay, Lady Nelson, Port Phillip and Buckley's Lodge. There was the hall, which we used as a whole group for meals, movie night and a quiz night. There were three places where many students played - the volleyball area, the basketball court and the best of all; the GaGa Pit!

We would love to have a GaGa Pit at school! The GaGa pit is an octagon with sand on the ground. Players start with a soft ball that is hit with your hands, with the aim of the game to hit the ball into somebody below the knees to get them out. The GaGa Pit was very popular and a busy place throughout the camp. We had so much fun!

There were many incredible activities that we enjoyed at camp such as: boogie boarding, mountain bike riding and a visit to the Marine Discovery Centre.

We learnt a lot at camp and I highly recommend future Grade 5 students go to this camp – you get pancakes for breakfast!

**Will G**  
**Grade 5 Amanda**

### Dates To Remember

<b>Monday</b>	<b>Every</b>	<b>Breakfast Club, 8:15am – 8:45am (Dalaroo Learning House)</b>

## Health Information

The Department of Human Services supplies to all schools *The Blue Book*, which details information on many community-based infections. At times we will highlight different community concerns and will send, via the newsletter the guidelines supplied to us from *The Blue Book* and the Department of Health (Victoria); please find information below on Chickenpox.

### Chickenpox

#### What are the symptoms of Chickenpox?

##### The main symptoms are:

- Low grade fever
- Malaise
- Rash: this will develop to blisters which will then progress to crusted lesions over about 5 days

**Can my child still go to school?** No. As Chickenpox is highly contagious children need to stay away from school until fully recovered or for at least five days after the first eruption appears.

##### Further information:

- [Your local doctor](#)
- [Better Health Channel](#)
- [Victorian Department of Health](#), Telephone 1300 651 160

## Newsletter Sign Up

The college newsletter can be accessed online via the college website: [www.manorlakesp12.vic.edu.au](http://www.manorlakesp12.vic.edu.au). We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information is published on a weekly basis

## Personal Property

- Students are discouraged from bringing valuable personal property to school (including mobile phones)
- If students choose to bring valuable personal property to school, they do so at their own risk
- The Department and the college do not hold insurance for personal property brought to schools and therefore it will not generally pay for any loss or damage property own risk.

## Grievance Procedure for Parents/Carers

- Step 1: Make an appointment to meet with the teacher.
- Step 2: If the issue is unresolved, make an appointment with a Sub-school Assistant Principal  
Ph. 9741 4202
- Step 3: To reach final resolution you may need to meet with the Assistant Principal on more than one occasion.
- Step 4: Make an appointment with the Principal via the Principal's Executive Assistant.
- Step 5: If you are still dissatisfied phone or write to the Principal.
- Step 6: After steps 1-5, if the matter is not resolved, then the issue can be raised with the Regional Office on 9291- 6500

## Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.idlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, proving consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.
