Dear Parents and Carers

We have had a busy term in the Primary School, with the Big Day Out, Prep transitions, Year 3 Camp, Grade 2 Sleepover, Lightning Premiership and Year 6 End of Year Celebration. Staff, students and parents have continued to make invaluable contributions in so many ways, and we are very proud of the achievements of our students in many areas. We look forward to the remainder of the term, where staff are busy making plans for the 2018 school year.

We wish to congratulate Hannah and her new husband Trent, and Brodie and her new husband Lucas on their recent weddings. Brooke Vogel also welcomed a healthy boy Hudson to the world on 19th November.

On Tuesday 5th December we look forward to welcoming our 2018 Prep class for their final transition session for the year, a vital step in the preparation of starting school.

As a duty of care, students are not to be dropped off to school prior to 8:20am, as there is no supervision for students at this time. Yard supervision begins at 8:35am, with classroom doors opening at 8:40am. If your child needs to arrive at school prior to the yard being supervised, please consider Before School Care to ensure their safety.

With the school year drawing to a close, we would appreciate all families checking their homes for any outstanding library books or take home reading books and returning these to the school as soon as possible.

Grade 6 Celebration - Thank you!

On Monday 27th November, the Grade 6 Celebration was held at Raffael's Café and the Wyndham Cultural Centre. The evening was a huge success!

Students enjoyed their dinner together with staff before the formalities began in the Cultural Centre theatre. A special thanks and congratulations to our students who hosted the evening and presented speeches. We would like to thank the Grade 6 team and specialist teachers for their support in preparing for the evening. We would also like to thank families for their attendance. We hope you enjoyed celebrating the primary years of your child's education with all of us!

Year 6 Health Curriculum Term 4

During term 4, Family Planning Victoria will deliver Relationships and Sexuality Education sessions to Grade 6 students. These sessions align with the Victorian Curriculum and will be led by experienced, trained Family Planning Victoria educators.

Each of the student sessions will offer information, activities and provide an opportunity for students to ask questions.

Session	Date	Focus
3	December 7	Puberty, menstruation and sperm production, changes and transitions in relationships, support networks during puberty.

Students will participate in each of these sessions with their class group. Each session is 90 minutes.

As this content is aligned with the Victorian Curriculum, it is expected that all students participate. An alternative program will not be available for students who do not participate.

Grade 3 Camp

The 2017 Year 3 Camp is over but a lifetime of memories!
Wow!

I really enjoyed hearing the successes of our children.

I can ride a bike now!

Yabbing was so much fun!

Seeing Chelsea on the Giant Swing being big and brave!

Seeing our girls participate in Archery activities, seeing our boys working together in Hut Building, seeing teams work together on team challenges and so on!

It was brilliant!

Well done everyone!

Thanks Brodie & Alyce - I know the non-campers had a super time cooking, science activities and a disco!

A big thanks to our teachers who were away from families over the three day period.

Grade 5/6 Lightning Premiership

On the 10th of November selected students from Grade 5 & 6 participated in this year's Lightning Premiership tournament. Students were selected to play Football, Basketball, Netball, Soccer and Softball. Schools across the Wyndham region came to Manor Lakes College to participate in the event. Football was located at Wootten Oval in Tarneit where students had the opportunity to play on a variety of fields. Students from Manor Lakes and other schools enjoyed the day; showing strong sportsmanship skills.

On the day coaches were impressed with their team's skills and abilities. Softball, Football, Netball and Soccer were played outdoors where parents and the local community had an opportunity to cheer on our students. Basketball was played both in the gym and on the outside courts.

Highlights of the day include the nail biting game in the Basketball grand finale against Iramoo, Football trailing by 3 points and achieving overall third in the competition, Soccer players showing great sportsmanship, Netball demonstrating their great skills and abilities throughout the game and the Softball team who showed determination and aimed high.

Congratulations to all students who participated on the day and a special mention to all coaches who helped students prepare for their games. Thank you to all parents and families who came to support on the day. Well done Manor Lakes!

Personal Property

- Students are discouraged from bringing valuable personal property to school (including mobile phones)
- If students choose to bring valuable personal property to school, they do so at their own risk
- The Department and the college do not hold insurance for personal property brought to schools and therefore it will not generally pay for any loss or damage property own risk.

Newsletter Sign Up

The college newsletter can be accessed online via the college website: www.manorlakesp12.vic.edu.au. We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information are published on a weekly basis

Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.idlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, proving consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.
