Dear Parents and Carers,

Welcome back to term 4, I hope all of our community members had a great holiday break.

You are probably aware I am the new principal of the college. Prior to starting at Manor Lakes, I was principal of Footscray City PS for five years, and before that was principal of Wembley and Sunshine PS's for over ten years. Before becoming a principal I was a teacher at various schools throughout the Western region including, Iramoo, Glen Orden, Kingsville and Kensington PS's.

I have begun visiting classrooms and had the pleasure of meeting some of our Year 3 students yesterday during maths lessons. It was great to see the attention to learning displayed by the children and I look forward to visiting

all classes over the next few weeks. I will be on yard duty at the front gate on Wednesday and Thursday mornings, and Monday and Friday afternoons; I would appreciate meeting any parents who wish to come and speak with me.

Next week at the college we will be celebrating Arts Week with various events happening throughout the week.

A couple of big events include:

- Monday 10th October the Year 12 Music Showcase will take place in Amadeus hall from 6:30pm until 8:30pm for a gold coin donation.
- Wednesday 12th October from 6:30pm until 8:30pm we have the Trivia Performance night – 80's theme with tickets available from Judy in the Burley Griffin office.

We also have graduation photos on Monday for our Year 12 students, as well as Year 6 photos commemorating the finish of Year 6. Please make sure your child is in full school uniform for their photo.

A reminder to log in to Compass to check on your child's progress and check the whole college calendar which has all our upcoming events listed.

Next week is our Middle Years assembly in Barlee Gym with all welcome.

Wellbeing News

Sun Smart: Just a reminder that broad brimmed Manor Lakes hats are a compulsory part of the school uniform for all students in Primary years during Term 4. With the holidays upon us it is a good time to find where it is hiding and get it ready for October. Primary students who do not have a hat will be asked to play in the shaded areas of the college, which will, of course, limit their play area, but help protect them from the damaging sun's rays.

We strongly advise that students in Secondary years also wear a hat to protect them from the sun.

You may also like to apply sunscreen to your child before they head off for the day. Alternatively, students may prefer to bring their own sunscreen to school where they can apply it themselves before break times.

Headlice: With Spring here you may notice an influx of head lice. Please make the most of the school holiday period to treat your child's head for lice. As lice are becoming resistant to many of the treatments on the market today you might find that the most efficient way to combat this problem is the fine toothed comb and hair conditioner method.

Spread cheap conditioner through dry hair, and then run the comb through taking the conditioner off with the comb. If there are any lice or eggs (nits) they tend to come out with the conditioner, which stuns the live lice enough for you to catch them in the slippery conditioner. When you wipe the comb onto a tissue you will be able to see any eggs or lice caught in the process. If you do this again a few days later, you will be able to catch any lice that have hatched from eggs that were missed in the first treatment. Regular diligence with this method is usually enough to keep them at bay.

Remember, that lice have been around for centuries and they do not discriminate between heads – all people can catch lice. There is no denying that they are a pain and your kids will dislike the time spent treating them but the nasty itching and scratching is so much more irritating. If we all work together on this problem, hopefully this spring will see a smaller 'birth rate'.

Second Hand Uniform Shop: The uniform shop will be open for Term 4 every second Wednesday in the Community Room (Eildon Learning Room) from 2.00pm – 3.00pm. Please see dates below:

Wednesday 19th October, 2nd November, 16th November, 30th November & 14th December

All proceeds from the sale of items will be donated to State School's Relief.

Health Information

The college has been advised of a student diagnosed with a suspected mild case of Chicken Pox (Varicella). The advice from the Health Department is that the Chicken Pox virus is contagious prior to and for about 5 days after an initial rash appears. Those at a higher risk of contracting this virus are newborns, immunosuppressed patients and those not immunised.

If you are concerned or your child has a low-grade fever, lethargic and has a rash, please seek advice from your Local Doctor. Pregnant women should also seek advice if symptoms appear or they come into contact with the virus.

For more information please go to the Better Health website:

Career News

VOCATIONAL & HIGHER EDUCATION NEWS:

Passionate about IT? Have you considered studying virtual reality? The following is taken from Deakin University: "Virtual Reality (VR) is an immersive digital environment that replicates life-like physical environments or portrays a fictional world to make the user feel like they're immersed in that environment in real life.

Virtual and Augmented Reality (AR) is already being integrated into the healthcare, tourism, advertising, entertainment, automotive, gaming and education industries. Whether it be developing virtual prototypes, providing virtual training scenarios for health care providers or developing new games for the entertainment industry, Virtual and Augmented Reality are likely to continue transforming the way we live over the next decade.

Commencing in 2017, Deakin University, in partnership with California-based Virtual Reality Company EON Reality, will be offering students the opportunity to study a major sequence in Virtual and Augmented Reality as part of the Bachelor of Information Technology. Students will also have the opportunity to undertake an elective industry placement with EON Reality and work directly with VR and AR professionals on industry projects.

For information about the major, go to <http://bit.ly/2dSowCN>

Have you considered Orthoptics? These allied health professionals play a crucial role in the early detection and treatment of eye diseases in children and adults. They can specialise in areas such as the following:

- Children's vision/paediatrics
- Eye movement disorders
- Low vision care/rehabilitation
- Cataract care and retinal disorders
- Neurological vision disorders
- Laser eye surgery and corneal conditions
- Driver vision and sports vision

There are about 500 Orthoptists in Australia and their population is ageing, which means there will be plenty of jobs in the future both in Australia and overseas. You can study to become an Orthoptist at La Trobe University, Melbourne <http://bit.ly/1PeR4Na> and the University of Technology, Sydney, <http://bit.ly/2d8dntI>

For key information about this occupation, visit the Orthoptics Australia website, www.orthoptics.org.au/

New Master of Food Systems and Gastronomy at William Angliss Institute: This course is unique to Australia and will explore the challenging problems facing contemporary food systems and cultures. The program will focus on the areas of food production, distribution and consumption, policy, food security and sovereignty and community health and wellbeing, <http://bit.ly/2dmbXP0>

Where can a social work degree take you? One area you can work in is rehabilitation of people who have committed crimes. Rather than seeking to punish criminals, Dr Sophie Goldingay believes play could be key to rehabilitating them. Working in Deakin's School of Health and Social Development, Dr Goldingay helped develop an innovative 'play therapy' program to reshape mindsets. Discover her creative new approach to rehabilitation, <http://bit.ly/2cM6fGM>

You can study social work at:

- Deakin University, <http://bit.ly/2dDHI3H>
- La Trobe University, <http://bit.ly/23Y328R>
- Monash University, <http://bit.ly/1omFO8U>
- RMIT, <http://bit.ly/2dkHp2k>
- University of Melbourne, <http://bit.ly/2dkH5AX>
- Victoria University, <http://bit.ly/2dBr3wW>

UPCOMING EVENTS:

Meet Nina Las Vegas: If you're interested in pursuing a career in music, you should consider attending the Nina Las Vegas pop up party at Collarts Fitzroy campus on Thursday 13th October. Nina is one of the most prolific DJ's in Australia. She will host a workshop and QnA about her music career before the party. There are limited spaces, so apply as soon as possible: <http://bit.ly/2cWUp8T>

Applying for Victorian courses via VTAC? If you have applied for courses via VTAC and you will be going straight to university next year, you can apply for equity scholarships via VTAC. You will need to fill out the online scholarship form via your VTAC account and organise any relevant supporting statements or documents by Friday 14th October.

Interested in design? Deakin's School of Architecture and Built Environment's annual PaperSpace student exhibition showcases outstanding work from architecture, construction management, landscape and planning, undergraduate and master degree students. Dates are listed below. For information and venue locations, go to: <http://bit.ly/2dShZYv>

- Melbourne Campus: Monday 21st October – Friday 4th November

Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.idlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, proving consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.

Newsletter Sign Up

The college newsletter can be accessed online via the college website: www.manorlakesp12.vic.edu.au. We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information is published on a weekly basis

Personal Property

- Students are discouraged from bringing valuable personal property to school (including mobile phones)
- If students choose to bring valuable personal property to school, they do so at their own risk
- The Department and the college do not hold insurance for personal property brought to schools and therefore it will not generally pay for any loss or damage property own risk.
