Dear Parents and Carers,

My apologies for the delayed newsletter.

Our 2016 year 12 students had their last secondary schooling event last Wednesday with the Valedictory dinner. The dinner was held at a Sunshine Reception Centre and was an opportunity to present each of our year 12 students and highlight some of the outstanding efforts and successes of our students. My congratulations to all involved, parents, students and staff. Many staff were responsible for setting up and organising the event and I particularly wish to thank them for their efforts. Erin Howard was in charge of the evening and my individual thanks to her for her work.

Four of our junior students headed off to the 8 – 12 year old Wyndham City Forum last week and had a very productive day. There were 10 schools in our network that had students attend and they discussed various topics including parks and open space, community safety, communication and the media and social media. Thank you to the following students that attended and represented our college – Giselle L (5 Jess B), Gabriel T (5 Jess G), Benji L (6 Ayse) and Cristle Y (6 Amanda).

Our grade 3's headed off to Lady Northcote camp last week and returned on Friday. The grade 3 students took part in various activities like canoeing, orienteering, a low ropes course and a giant swing.

Our year 10s going in to year 11 for 2017 and our year 11s going in to year 12 for 2017 had their course confirmation day on Friday at the college. During the day students came with their parents/carers to discuss how 2017 is going to look and the subjects they have chosen.

The fete will be held this Friday, 25th November. It is such a fantastic event that brings a community together and there are some really great stalls and events planned. The fete starts at 3:00pm and finishes at 7:00pm so come along, tell your friends and neighbours too.

Self-belief: Have the confidence in yourself that you can make your goals happen, to help you succeed.

We believe that it is possible to improve. We believe in ourselves and in each other. We believe that if we want to be healthier or happier, then we can make those things happen.

Because we believe we are willing to test, experiment and try new things, even when we feel uncertain.
