School Banking News

Thanks for your ongoing support in regards to School Banking Program. We have new rewards on offer this year – refer to Rewards Chart.

Just a reminder – School Banking: Applications can be picked up from Anthony in the Community Room or the Admin Office. Please remember to bring in your weekly deposit each week on School Banking Day.

School Banking Day is every Thursday

- No more than \$20
- Details filled out in bank book
- Please don't leave tokens in bank book
- Trade them in after every ten deposits
- Great rewards on offer for super savers
- Please write in pen in a legible manner

New accounts take between 10-14 working days from when completed forms are submitted to school.

If your child does not yet have an account, please visit Anthony for a School Banking pack, which includes a Youth-saver account application form to get started with School Banking. If you are an existing Commonwealth Bank customer with access to Net-Bank, you can apply for your child's Youth-saver account online.

Simply log into Net-Bank, click the "Offers and apply" tab, then select "Accounts" and "Youth-saver". Please have your child's birth certificate handy.

Happy Banking,

The School Banking Team

Follow through how to:

- Keep up to date with news items and alerts
- View the College community based calendars
- View you child's attendance details, and approve absences/late arrivals
- View feedback on your child's learning, including progress cycles and semester reports
- Complete online payments for events/excursions and essential student learning items
- Book parent/teacher interviews
- Contact your child's teachers via electronic communications

Please register your interest online at
<https://goo.gl/forms/hleMyIr8hpRUNqSo1> or
by contacting College administration on 9741
4202.

Sporting News:

Sports Physiotherapists: are qualified physiotherapists who have undertaken further specialised training and education. They assess and diagnose sports related injuries and develop a treatment plan, which may include hands-on therapies and exercise plans.

Where can I study undergraduate physiotherapy in Victoria?

- **Monash University**, Bachelor of Physiotherapy (Honours), <http://bit.ly/1UbqXPB>
- **La Trobe University**, Bachelor of Applied Science/Master of Physiotherapy Practice, <http://bit.ly/1KYy9XY>
- **Charles Sturt University**, Bachelor of Physiotherapy, <http://bit.ly/1MNIxVs>
- **Australian Catholic University**, Bachelor of Physiotherapy, <http://bit.ly/23UACtx>

If you are concerned you will not achieve the ATAR to gain entry into an undergraduate program, you can study graduate entry physiotherapy in Victoria at

- **University of Melbourne**, Doctor of Physiotherapy, 3-year program.
- **La Trobe University**, Master of Physiotherapy Practice, Melbourne and Bendigo, 2-year program.

You will need to complete an undergraduate degree in an area such as exercise science, biomedical science or general science. You should pick a degree that will have subjects in human anatomy and physiology. There are two ways to become a fully qualified sports physiotherapist- via an academic pathway or an experiential pathway. For information, go to www.physiotherapy.asn.au/

Clinical Exercise Physiologists: develop exercise plans and services for people living with or being at risk of illnesses such as cancer, mental illness, cardiovascular disease, neuromuscular/ neurological disease, respiratory disease, chronic pain and musculoskeletal pain.

From Exercise and Sports Science Australia (ESSA): Exercise Physiologists are the most qualified health professional to prescribe exercise for people with chronic disease. Video about clinical exercise physiology developed by Deakin University <http://bit.ly/1TvZuWz>

How do I become qualified in Victoria?

- You must first complete an ESSA approved undergraduate degree.
- You must then complete an ESSA approved Graduate Diploma or Master of Clinical Exercise

Physiology, meet all of the required knowledge and skills criteria and have completed the required 500 hours of approved practicum, as outlined by ESSA. For a list of approved courses and courses pending accreditation, go to <http://bit.ly/2qfCvaU>

Sport Management: is for students who have an interest in both sport and business (including management, marketing, elite athlete management, events, facilities management, tourism, accounting etc.). Different institutions offer different majors or specialisations, so make sure you do your research.

Sports Engineers: design and develop sports equipment and apparel; design products and develop solutions to enhance the performance of athletes; and are at the forefront of designing new sports technologies for elite athletes. Students typically study human movement sciences, and electronic, mechanical and software engineering.

Sport and Recreation Management: students can typically specialise in areas such as outdoor recreation, recreation management, tourism, facilities management, policy development and events management.

Sports Development: students learn how to promote sport in the community and increase the level of participation in sports for different cohorts such as young people and people with disabilities. Sports development officers create new and innovative sports programs or work for existing organisations to run their programs in the community (i.e., AusKick)

Sports Journalists: undertake research on sporting events and issues and report on them via various media mediums (e.g., print broadcast, radio). Students generally have to complete a journalism degree with a sports

specialisation within the degree or as a graduate program. Other sports careers include Sports Psychology, Exercise Rehabilitation, Sports Coaching, and Physical Education

Teaching, Fitness and Personal Training, Sports Science etc. To search for sports related courses and university prerequisites, search the Good Universities Guide course finder at <http://bit.ly/1N6a3Pk> or the Victorian Tertiary Admission Centre (VTAC) archived search at www.vtac.edu.au/

Global Courses:

Are you eager to learn about other countries and cultures? If you want to undertake a university degree with a truly global focus, the following courses may suit you:

Bachelor of Global Studies, Australian Catholic University: you will study overseas in the third year of your degree, and combine the degree with either Arts, Business Administration, Theology, Law, or Applied Public Health, <http://bit.ly/1WAUKLE>

Bachelor of Global Studies, Monash University: you will spend between one to three semesters on overseas exchange at an international Monash campus or partner university. You can combine the degree with Commerce, Law or Science or complete it as a single degree, <http://bit.ly/1ZVprQs>

Bachelor of Asia Pacific Studies (Year in Asia), Australia National University: you will undertake a major or minor in one of 13 Asia-Pacific languages and undertake a year of studies overseas at an Asia-Pacific partner university, <http://tinyurl.com/ljnvf3u>

Bachelor of European Studies, Australia National University: you will undertake a major or minor in one of six European languages and study overseas at a European partner university, <http://tinyurl.com/ltnhkhf>

Bachelor of International Studies, Deakin University: you can undertake a professional internship with an international organization overseas or in Australia, study an in country language program, and/or complete a global student exchange, <http://bit.ly/2qjXFEV>

Bachelor of International Business, RMIT: you can undertake 2 – 3 week study tours to Europe, North America or Asia, undertake part of your degree at RMIT's Vietnam campus, complete a language major, and/or undertake a semester of exchange at an overseas partner university, <http://tinyurl.com/lxxpfhw>

Vocational and Higher Education News:

Pixel Prize photography competition: This competition is run by Australian Catholic University and aims to encourage the use of photography as a tool to communicate valuable messages to society.

The theme for this year's competition is 'Empathy'. Entries will open on 3 July and close on 15 September, with prizes to be awarded across four categories at the exhibition's opening in Melbourne on 16 November 2017. For information, go to <http://bit.ly/2pOcawH>

Are you applying for an art or design course at Monash University? From 2018, entry requirements for the following courses have changed:

- Bachelor of Visual Arts
- Bachelor of Art History and Curating
- Bachelor of Communication Design
- Bachelor of Industrial Design
- Bachelor of Architectural Design
- Bachelor of Interior Architecture

Students will no longer have to prepare a folio, complete a pre-selection activity, or participate in an interview. Admission will be based on ATAR only. Please call MADA Student Services with any questions 03 9903 1517 or email mada@monash.edu.au

Law Admission Test (LAT) now open for UNSW: If you are considering studying a law program at UNSW you will need to sit the LAT. You will first need to register for the LAT by Friday 11 August via the ACER website then

sit the test on Tuesday 26 September. For information on the process and law courses at UNSW, go to <http://bit.ly/2qmr2V9>

Robertson Scholars Leadership Program: Each year, talented Australian students are selected to complete an undergraduate degree at either Duke University or the University of Northern Carolina, both in the USA. The program seeks to assist students who have demonstrated passion and potential to become great leaders in college and beyond. The scholarship is worth \$200 000 and is organised through UNSW. For more information and to apply, go to <http://bit.ly/2qjpc95>

Have you considered teaching mathematics at secondary school? Mathematics has been identified as a key teaching area in high demand, offering strong employment opportunities and career prospects for graduates. Two ways you can become a mathematics teacher is as follows:

Complete an undergraduate teaching or a combined teaching degree with a maths discipline major. This pathway generally takes 4 years to complete. The following are three examples of undergraduate courses you can study in Victoria:

- **Australian Catholic University:** Bachelor of Teaching/Bachelor of Arts (Mathematics), Melbourne, <http://bit.ly/2qiq1iG>
- **Federation University:** Bachelor of Mathematical Sciences/Bachelor of Education, Ballarat, <http://bit.ly/2rhsacP>
- **Deakin University:** Bachelor of Teaching (Science)/Bachelor of Science, Melbourne campus, <http://bit.ly/2qj3DRc>
- **RMIT:** Bachelor of Science (Mathematics), <http://bit.ly/2qiUqNC> > approved Master of Secondary Teaching
- **University of Melbourne:** Bachelor of Science (Mathematics and Statistics major), <http://bit.ly/1PLXJyP> > approved Master of Secondary Teaching
- **La Trobe University:** Bachelor of Science (Mathematics major), Melbourne campus, <http://bit.ly/1TzcVWZ> > approved Master of Secondary Teaching.
- To search for all courses, use the Good Universities Guide course search function at <http://bit.ly/2klbTQa>

Upcoming Events:

RMIT Experience Days: These events provide a fantastic opportunity for you to experience life as a RMIT student for a day and to explore the courses you are interested in. Dates for July are listed below. To book your place, go to <http://bit.ly/2qRca05>

Australian Catholic University Experience Days: University Experience is a hands-on event where you will participate in a range of activities related to the course area of your choice. A large range of workshops will be available and a parent session will be running. The following are dates the events will be running:

- Melbourne campus, Tuesday 4 July
- Ballarat campus, Tuesday 11 July

Registrations will open on Monday 22 May at the following link, <http://bit.ly/2pb23CK> Deakin spire Day: Deakin University is running full day events at the Melbourne and Geelong campuses designed for Year 10 – 12 students to learn more about Deakin courses and programs. At the event, you will:

Hear innovative, entrepreneurial and creative stories from Deakin students, alumni and teachers. Choose to attend two workshops from a multitude of energising workshops. Learn how to stand out from the crowd and get ready for the jobs of tomorrow.

Dates are as follows:

- Melbourne Burwood campus, Tuesday 4 July
- Geelong Waurin Ponds, Thursday 6 July

For information on the venues, speakers, workshops and to register your place, go to <http://bit.ly/2r0rbh5>

Newsletter Sign Up

The college newsletter can be accessed online via the college website: www.manorlakesp12.vic.edu.au. We encourage all families to sign up as an efficient means to receiving the newsletter. The newsletter is one of the main forms of communication within our college community; all news, dates and information is published on a weekly basis

Personal Property

- Students are discouraged from bringing valuable personal property to school (including mobile phones)
- If students choose to bring valuable personal property to school, they do so at their own risk
- The Department and the college do not hold insurance for personal property brought to schools and therefore it will not generally pay for any loss or damage property own risk.

Grievance Procedure for Parents/Carers

- Step 1: Make an appointment to meet with the teacher.
- Step 2: If the issue is unresolved, make an appointment with a Sub-school Assistant Principal
Ph. 9741 4202
- Step 3: To reach final resolution you may need to meet with the Assistant Principal on more than one occasion.
- Step 4: Make an appointment with the Principal via the Principal's Executive Assistant.
- Step 5: If you are still dissatisfied phone or write to the Principal.
- Step 6: After steps 1-5, if the matter is not resolved, then the issue can be raised with the Regional Office on 9291- 6500

Compass

Can all parents and guardians please make sure that you are regularly logging onto Compass via the website <https://manorlakesp12.vic.idlf.com.au/>. This is the College's school management program and will provide you access to all aspects of your child's school life. Functions that parents are able to access include viewing and approving absences, proving consent and paying for excursions and incursions, booking parent / teacher interviews, contacting teachers and keeping an eye on important dates via the College community calendars.

All students currently have feedback uploaded for various curriculum areas and learning tasks. Please access your child's learning tasks to view teacher feedback, scoring (if relevant) and your child's reflection on their learning. Please take the opportunity to provide any constructive feedback to your child and/or child's teacher regarding their learning in the particular curriculum area. A reminder that the college is moving away from traditional end of semester reports, although a summation of your child's learning will be available each semester including AusVELS progression points, any other relevant grading's applicable to VCE/VCAL, additional teacher feedback for personal learning and overall achievement in subject area.

The Smith Family News

Student Profiles are due!

Here are some tips to help your child update their sponsor...

✚ Use Pause Prompt Praise techniques

Pause for thinking time and for the ideas to come, Prompt ideas by asking questions, and Praise all efforts!

✚ Make it fun!

Use Google Images to encourage ideas. Use cool colors to make it cheerful.

✚ Get the family involved

Get your child to ask family members questions e.g. "What's your favourite thing to do on the weekend?", "What was your favourite subject at school?"

✚ Don't forget to say Thanks!

Parents please show your appreciation with simple thanks in the parent section, to show your sponsor that the contribution is valued.

Please don't hesitate to come and speak with Kristy, located in the LINC Room, Eildon or text her on 0408266867

Student Profiles can be sent directly in the Reply Paid envelope or returned to Kristy directly.
