We will continue to keep students and teachers focused on learning right up to the last days of school. We are confident that keep students engaged in class will help settle some nerves that naturally start to come at the end of a school year.

We have been busy organising teachers, students and classrooms recently! We are ready to go for our Transition day this Tuesday and looking forward to the excitement that comes with meeting new faces.

Our Essential Learning Items were sent out a few weeks ago. We have worked hard to lower the cost next year and hope that this helps all families contribute.

We would like to congratulate Cindy Pedrana (our wonderful Art teacher of many years), Rebecca Newell (Current Year 5 Team leader) and John Helmore (Maths Learning Specialist) on their new jobs at different schools next year. If you see them around, please join us in wishing them well.

These last two weeks of 2019 will bring a Year One Disco, Prep BBQ, Assembly and a Year 6 Celebration... we hope to see you there!

Big Day Out

We are thrilled to announce our recent Big Day Out has made a profit of close to \$9000 dollars. We would like to thank our families who supported the event, particularly the students who performed on the day. The money raised will go towards more books for classroom libraries. We look forward to our next Big Day Out in 2021!

Peer Mediators

For the past two weeks our year 5/6 Peer Mediators have been out in the yard helping others resolve conflict and reporting to teachers on issues they have noticed. The peer mediators have reported that they have been helping smaller children find friends to play with, helping resolve conflict in the gaga pits and seeing many students not wearing hats. Daily students ask if they can have an extra shift of yard duty as they are enjoying the role they play in creating a positive, and safe school environment.

Teachers have reported that the peer mediators have been doing an amazing job already and seeing positive impacts they are having in the yard. The peer mediator program will continue running in 2020. Grade 5s will be our grade 6 peer mediators and we will recruit year 5s to be a part of this. We are very impressed with the way the students have embraced their role and the good they are doing in the yard. Well done!

2020 School Captains

The year 5 students have written their applications for 2020 school captain. They will be interviewed for their role and the captains will be announced shortly. We wish all the year 5s that applied luck and congratulate them on the hard work they put in on their application letters.

Mini Transitions

On Friday the 29th of November students across the p-5 experienced what life would be like in the next year level. P-5 students will have another opportunity on Friday the 6th of December. Then on the 10th of December students will transition to their new classes with their 2020 teacher and 2020 classroom. Teachers and Leadership have been working tirelessly to ensure students will have a positive learning environment in 2020.

Grade 3 Camp

We went to the Lady Northcote Camp near Bacchus Marsh on Wednesday the 20th to Friday the 22nd of November.

All the grade three teachers came, plus a couple of other teachers and they helped us to have a good time. They ran the activities, helped us in the dining hall and looked after us at night. The food was pretty good and our favourite was the pasta dinner. We also had pancakes or bacon and eggs for breakfast. We didn't go hungry!

Camp was fun because of activities like the giant swing, archery, fun games, yabbing, low ropes, disco, team toon challenge and the night walk. These activities were fun because we were learning new things.

Camp was the best thing we did all year. We can't wait to do it again.

Supported News

In SPE and SPF we have been making necklaces for our business called Brilliant Beads. We make these necklaces on Tuesdays and Fridays for Project Based Learning. To make our necklaces we need to firstly pick the beads, then pick the string, then we thread the beads onto the string. Last thing we do is put the clips on to make the necklace.

On Thursday 12th December at 2:30-3:30pm, we are going to have a Christmas Stall. The stall is happening out the front of village square near Eildon. At the stall we are going to be selling our necklaces. The necklaces will cost you \$10, with the money going towards Supported Learning.

Hope to see you there.

Uniform Bank

2019 is almost at an end. If you have spare, left over or unused primary school uniform that you want to donate/pass on- please come to Argyle building in the morning and drop it off the second hand uniform store room. Alternatively come and speak to **Tsering Sherpa**-Leading Teacher: Student Wellbeing, to donate items.

We welcome all donations.

Thank you.

Sun Smart Term 4

Manor Lakes P-12 College applies a 'No Hat, No Play' rule to all Primary students for this term.

Students without an appropriate hat must sit in the shade.

Standing/Playing in the shade is NOT part of the 'No Hat, No Play' rule, as it generally leads to students moving in and out of the sun and also doesn't encourage them to bring their hat the next day. Hats should not

be borrowed or shared. Hats other than the College hat (or plain black hats with no logos) are not permitted. Hats should not be worn in class.

Mini Stars Program - Kids (5-7yrs)

Gives confidence to kids.... our exclusive Mini Stars Program starts at 5yrs old and is suitable for young children. This structured program promotes valuable life lessons from early childhood as well as encourages discipline in a fun and friendly learning environment.

Juniors Taekwondo Program - Kids (8-13yrs)

Where leadership is promoted and rewarded.... our Juniors Program focuses largely on student growth and development. We pride ourselves on developing kids to their full potential through positive interaction, engagement and practice. Many of our Juniors are recognised for their distinctive leadership qualities and are rewarded with leadership roles at school and within local community.
