Welcome back to the final school term for 2019. I hope all had a safe and enjoyable school holiday and are looking forward to the last weeks of the year.

Term 4 is obviously a significant time for year 12 students in particular with their final year of secondary schooling combined with the additional pressures of VCE exams and/or assignments to be completed to achieve passes. I wish all our finishing students the best over the next few weeks and I am looking forward to the year 12 Valediction on Thursday 28th November

The final term is also significant for our year 6 students who are completing their primary schooling and preparing for the transition to secondary school. Most of our year 6 will continue at Manor Lakes P12 and have the advantage of knowing about the school.

We have a number of events planned for the term, the big event approaching soon is the Primary Big Day Out to be held Saturday 26th October. I will be looking out for our primary student performances, as well as seeing many of our talented secondary students perform.

Our new buildings will be officially opened on Friday 25th October by the local Member of Parliament. We still have numerous works to make the buildings as functional as possible. Air conditioning has been ordered for some rooms with more to be done on a programmed basis, fencing, paths, whiteboards, lockers, storage areas are also being planned.

I am currently working with the school leadership on plans for 2020, this includes; employment of teachers and allied staff, room and building allocations, class structures, staff professional learning, curriculum development foci and resource purchasing.

I have attended two Supported Ed parent forums recently and these will be extended to other sectors of the school to provide an opportunity for parents to express concerns and suggestions for school improvement.

I look forward to the ongoing work at the school and striving to make Manor Lakes a leading school in our network.

Steve Warner
Principal

Term 3 Attendance Letters

Attendance letters are currently being generated through Compass and also a hard copy is being sent home with your child.

Listed will be all sessions where your child has been recorded as 'Not Present' during term 3. Please provide a reason for each session your child was listed as absent, by either entering on Compass or returning the letter.

If you have any queries please contact **Fiona** on 9741 4202 or email manor.lakes.p12@edumail.vic.gov.au

Health Information

The college has been advised of 4 cases of Chickenpox in the **Year 7** cohort. If your child is displaying any of the symptoms mentioned below, please keep them home from school and consult your local doctor.

Chickenpox

What are the symptoms of Chickenpox?

The main symptoms are:

- Low grade fever
- Malaise
- Rash: this will develop to blisters which will then progress to crusted lesions over about 5 days

Can my child still go to school? No. As Chickenpox is highly contagious children need to stay away from school until fully recovered or for at least five days after the first eruption appears.

2020 Year 12 School Jackets

The leaver's jacket is a jacket worn by only year 12 students at Manor Lakes P-12 College. Next years yr. 12s will be able to purchase their jacket as of now. These jackets will be delivered early next year and will be handed to students at the VCE/VCAL Information evening early in term 1. To view and purchase the jacket, you will need to go to <https://indigowolf.com.au/manorlakesyr12/> and select the size and a nickname. The nickname can consist of any characters on the keyboard, however please keep in mind that names need to be appropriate for a school environment and will be checked by leadership at the college before the name will be approved.

In regards to sizing, the jackets are a small fit, so it is highly recommended that students try on the sample sizes which are in my office in the Victoria Building for the next fortnight. When trying on the jacket, you will need to begin by thinking about 2 sizes larger than you would normally wear. The jackets are sized from 4XS to 5XL.

The jackets will cost \$109 and will be delivered directly to the school. The cut-off date for purchasing will be the 8th of November. All ordering will take place through the Indigo Wolf website, and we are unable to put any orders through the school administration.

If you have any concerns, please contact Stuart Hay at stuart.hay@manorlakesp12.vic.edu.au

Year 12 Valedictory Dinner

The Year 12 Valedictory Dinner event brings together students, families and college staff to celebrate the Graduation of the Year 12 cohort of 2019.

This year the dinner will be held on **Thursday 28th November**.

Doors open at 6.30pm for a 7pm start. The event runs until 10pm.

A maximum of 4 tickets will be reserved for each family until Monday 7th October, after which all remaining tickets will be available to any further family members wanting to purchase them. Please go to

<https://www.trybooking.com/book/event?eid=533309&>

Please contact **Stuart Hay** at the College for any questions/clarification.

Please note: *You will also need to purchase a ticket for your Yr. 12 student. The 4 tickets is INCLUSIVE of the student. That means 1 ticket per student and 3 guests.*

8th October, 2019

Hi Parents/Carers,

As you are aware, the National Disability Insurance Scheme (NDIS) has rolled out in our area. This is crucial in allowing your child to access therapies, respite, case workers and post- school options. The process can also be daunting and complicated at times. We understand that parents require support through the complexities of this process and have arranged for staff from our local NDIS provider, Brotherhood of St Laurence, to attend Manor Lakes College throughout Term Four to support families in the application process.

There will be a parent information session run by Brotherhood of St Laurence staff at 3:30pm on Thursday 17th October in the Echo building. This will cover the application process and a general overview for navigating the NDIS. A staff member for Association for Children with a Disability (ACD) will also be in attendance; this is an advocacy agency who can assist in giving advice for getting your child the best plan under the NDIS.

On Tuesday 22nd October (10am-1pm) and Wednesday 23rd October (2-4pm) multiple Brotherhood of St Laurence staff will be available to facilitate individual parent consultations to commence the application process for NDIS. If you have already commenced your application, I encourage you to attend the earlier parent information session to ensure familiarity with the entire process. If you have any questions about a current application, Angela Rachel from Brotherhood of St Laurence is contactable on 0490 290 138.

Please return attached form to indicate whether you will be attending the parent information session and/or nominate a preference for a time for individual parent consultations. We will confirm times once expressions of interest are received.

Please do not hesitate to contact me if you have any additional questions

Have you considered studying orthoptics?

Have you considered Orthoptics? These allied health professionals play a crucial role in the early detection and treatment of eye diseases in children and adults. They can specialise in areas such as the following:

- Children's vision/paediatrics
- Eye movement disorders
- Low vision care/rehabilitation
- Cataract care and retinal disorders
- Neurological vision disorders
- Laser eye surgery and corneal conditions
- Driver vision and sports vision

There are about 500 Orthoptists in Australia and their population is ageing, which means there will be plenty of jobs in the future both in Australia and overseas. You can study to become an Orthoptist at La Trobe University, Melbourne - <http://bit.ly/1PeR4Na> and the University of Technology Sydney, <http://bit.ly/2d8dnt1>

For key information about this occupation, visit the Orthoptics Australia website, www.orthoptics.org.au/

Where can a social work degree take you?

One area you can work in is rehabilitation of people who have committed crimes. Rather than seeking to punish criminals, Dr. Sophie Goldingay believes play could be key to rehabilitating them.

Working in Deakin's School of Health and Social Development, Dr. Goldingay helped develop an innovative 'play therapy' program to reshape mindsets. Discover her creative approach to rehabilitation, <http://bit.ly/2cM6fGM>

The following are examples of six universities you can study social work at:

- Deakin University, <http://bit.ly/2dDHI3H>
- La Trobe University, <http://bit.ly/23Y328R>
- Monash University, <http://bit.ly/1cmFO8U>
